An emergency call to campus police via 911 will fulfill Clery compliance requirements but not Title IX obligations. If SUDPS does not respond to the 911 call, provide a notification at 650-329-2413.

Reports to Title IX require personally identifying information, such as names and contact numbers. Clery and CalEd reporting do not require names or contact info for those involved, unless there is a threat to the safety of any member of the community. The CSA cannot be anonymous.

Be sure to ask the victim if they would like to call the police to consult, have an officer respond to investigate and create a police report, or advise on the collection of evidence.

Providing a CSA notification does not automatically trigger a police investigation.

All listed crimes/violations should be reported when multiple occur in the same incident.

If no emergency assistance is needed

Be sure to ask the victim if they would like to report to the police for an investigation. If not, complete all of the following compliance notifications that are applicable:

**NOTIFY PUBLIC SAFETY**
