

### USE OF FORCE FOR FIELD SUPERVISORS

This course provides current and aspiring supervisors with the specific skills they can use to supervise use of force incidents both before, during and after an incident. This training will include setting the tone ahead of time during briefing training, how to manage scenes and best practices for conducting reviews and investigations. This course includes up to date information on how SB2, AB392, SB 230 and other laws have affected law enforcement use of force. This course provides updated legislative content of Penal Code Section 835a. The course consists of facilitated discussion, case study analysis, and scenarios for in-service personnel.
