A photograph of a tree-lined street at Stanford University, viewed from a low angle looking down the road. The road has double yellow lines. In the distance, a building with columns is visible. A large, bold, yellow 'YO' graphic is superimposed in the center of the image, partially obscuring the building and the road. The trees are lush and green, and the scene is brightly lit, suggesting a sunny day.

## A Message from Chief Laura Wilson

The Stanford University Department of Public Safety exists to provide a safe, secure environment that respects and encourages freedom of expression, the safe movement of people, and the protection of life and property, while upholding the United States Constitution and federal, state, and local laws and ordinances.

The members of the Stanford University Department of Public Safety are committed to providing high quality public safety services with a strong emphasis on customer service. To accomplish this goal:

- We pledge to honor the spirit and letter of the laws we are charged to uphold.
- We will dedicate our full attention to our duties in order to promote a safe environment while earning and maintaining the public's trust.
- We will endeavor to continually enhance our professional skills and knowledge.
- We will hold each other accountable for demonstrating professional and ethical behavior.
- We will actively identify and pursue opportunities to improve our department and the way we serve the campus community.

The hallmark of our service is a constant dedication to the principles of honesty, integrity, fairness, courage, and courtesy.

The members of DPS care about the safety of all persons who live, work and visit the Stanford University campus. If you witness or hear about actions that do not reflect the values we have espoused, I encourage you to contact the department and provide us with specific information so that we can take corrective steps. We also welcome feedback about service and conduct that meets or exceeds your expectations.

I hope you will take a few minutes to review the content of this report. It contains a wealth of information about safety intended to help you avoid criminal victimization; options for responding to threats and crimes; and how to prepare to minimize the impact of an emergency.

## SUDPS Services

The Stanford University Department of Public Safety (SUDPS) provides safety, security, law enforcement, crime prevention, and emergency response services for Stanford's main campus (in unincorporated Santa Clara County), 24 hours a day, seven days a week. The law enforcement division works closely and cooperatively with federal, state, and local agencies to prevent, address, and investigate criminal activity. SUDPS will conduct timely, thorough and impartial investigations of criminal and suspected criminal activity. Arrests and prosecution efforts stemming from incidents that occur on the main campus are submitted to the Office of the Santa Clara County District Attorney, which possesses the legal authority to prosecute violations of the law.

## Investigation of Criminal Activity Occurring Off-Campus

SUDPS does not, as a matter of general practice, conduct investigations of incidents occurring off-campus.

Stanford University owns and/or controls property and facilities in California, other states, and other countries. There are no formal written agreements with other law enforcement agencies to monitor for criminal activity at these locations. The law enforcement agency having jurisdictional responsibility at locations owned or controlled by the university which are not on the main campus — including facilities used by student organizations that are officially recognized by the university and off-campus student housing — conducts investigations of crimes in accordance with that city, county, or country's established protocols.

In compliance with the federal law known as the Clery Act, the university makes annual requests to local law enforcement agencies, in the areas where Stanford University owns or controls facilities and property, for a list of all Clery-reportable crimes that were reported in that jurisdiction during the calendar year.

## SWORN PERSONNEL

**Stanford Deputy Sheriffs** derive their peace officer powers through a written memorandum of understanding (MOU) between Stanford University and Santa Clara County. While on duty, Stanford Deputies have full law enforcement powers to make arrests, enforce all applicable laws, and provide any other law enforcement services throughout the state of California pursuant to California Penal Code § 830.6. All initial and follow-up investigations of crimes occurring at Stanford will be conducted by Stanford deputies, except for cases involving the death of a human being, attempted homicide, and kidnapping and/or the taking of hostages, which will be managed by the Santa Clara County Sheriff's Office. The Sheriff or a designee may also elect to take full responsibility for investigating any criminal incident that occurs on the Stanford campus that is within unincorporated Santa Clara County.

SUDPS coordinates regularly with other local, state, and federal law enforcement agencies including the Palo Alto Police Department, the California Highway Patrol, the FBI, and the Secret Service.

The training received by Stanford Deputies meets the California Peace Officer Standards and Training (P.O.S.T.) guidelines and includes a 26-week police academy. The academy is followed by a supervised in-field training program and continuous in-service, specialty, and advanced training designed to foster personal and professional growth. For detailed information on training provided to sworn personnel, go to [police.stanford.edu/Training-deck.html](https://police.stanford.edu/Training-deck.html)

## SUDPS FULL-TIME, NON-SWORN PERSONNEL

The following positions support the safety mission of SUDPS. They possess the arrest authority granted to all private persons in California pursuant to Penal Code §§ 834, 837.

**Community Service Officers (CSO)** are full-time personnel who patrol the university by foot, bicycle, or vehicle to provide a safe and secure campus environment, performing security, parking enforcement, and traffic control. The CSO's support the patrol division.

**Public Safety Officers (PSO)** are full-time personnel who patrol the university by foot, bicycle, or motor vehicle to provide a safe and secure campus environment by performing security, parking enforcement, and traffic control. The Public Safety Officers comprise the Parking, Events, and Traffic division.

**Civilian Staff** provide administrative services, including assisting walk-in clients at the station; finance and human resources administration; project management; logistical support; community outreach; recruitment and hiring; and a variety of other support functions.

For more information on SUDPS staff positions, visit [police.stanford.edu/employment.html](https://police.stanford.edu/employment.html)

SUDPS

## SUDPS PART-TIME PERSONNEL

The following positions support the safety mission of SUDPS. They possess the arrest authority granted to all private persons in California pursuant to Penal Code §§ 834, 837.

**Armed Security Officers (ASO)** are on-call SUDPS personnel who provide security, crowd management and traffic control for special events and emergencies. As a condition of employment, ASO's must be currently employed as a peace officer in the state of CA and be in good standing with their principal employer. When scheduled to perform duties on behalf of SUDPS as an ASO, the individual will be fulfilling the role of a security officer on behalf of Stanford University.

**Special Events Patrol (SEP)** are hourly, part-time personnel whose duties include security, crowd management, and traffic control for special events and emergencies.

**SUDPS Volunteer Youth Explorers** The Stanford Department of Public Safety Youth Explorers Post #1891 is a volunteer career education program for anyone under 21 years of age who is interested in law enforcement. To build skills and experience, explorers train with full-time employees and provide event support under the supervision of SUDPS personnel.

## Contract Security Personnel

The university maintains contracts with third party vendors for the provision of security services on the main Stanford campus and the Redwood City campus. SUDPS contracts with private security companies to supplement SUDPS personnel to provide security, crowd management and traffic control for special events, specific assignments, and during emergencies. Individual schools and departments contract with private security companies for ongoing security. Currently, the Graduate School of Business, the School of Medicine, the Museums, Residential & Dining Enterprises, and the Redwood City campus have contracts with security companies for ongoing services. The university entity that contracts for the security service is responsible for overseeing the provision of the service.

In addition to being university employees, sworn officers are Reserve Deputy Sheriffs of the Santa Clara County Sheriff's Office (SCCoSO). Complaints about the conduct or service of a sworn officer may be made to SUDPS, or alternatively, to any Santa Clara County Sheriff's Office station or online at [sccgov.org/sites/sheriff/Pages/complaints.aspx](https://sccgov.org/sites/sheriff/Pages/complaints.aspx). Complaints can also be registered by calling the SCCoSO Operations Desk (408-808-4400) during normal business hours and requesting to speak with a supervisor or with the Internal Affairs office. If a concern warrants a criminal investigation, the Santa Clara County Office of the District Attorney is an additional resource.

## Stanford Community Board on Public Safety

The Community Board on Public Safety established by President Marc Tessier-Levigne in 2020 consists of faculty, staff, students, and community members. SUDPS will have three members on the board. The board has been charged with the following responsibilities:

- Provide counsel to President Tessier-Levigne and other university leaders on community safety and campus policing.
- Develop a shared understanding of campus community expectations for public safety policies and practices that are consistent with Stanford's mission and values.
- Foster belonging and nurturing a greater sense of safety among students of color and underrepresented, non-traditional, and marginalized communities on campus.
- Assess the needs and concerns relating to policing, community safety, and equity of experience among students, faculty, and staff.
- Review data on campus safety, including data disaggregated by race, gender, and other demographics.
- Recommend safety policies.
- Promote accessibility and transparency to the campus community through open meetings, forums, and listening sessions to discuss the experiences of community safety and community-centered approaches to improving and/or maintaining community safety.

## Professional Standards

As part of SUDPS' ongoing commitment to provide exceptional service, we welcome feedback. To provide the department with information regarding exceptional or disappointing service, or to file a complaint about the conduct of a member of SUDPS, contact the department through any of the following means:

- In person at the Police & Fire Facility at 711 Serra Street, (233 Bonair Siding Road beginning February 2021) Monday through Friday, 8 a.m. to 5 p.m.
- Online via our website [police.stanford.edu](https://police.stanford.edu), on the Contact Us tab
- By mail to 711 Serra Street, Stanford, CA 94305. (233 Bonair Siding Road effective February 2021)
- By email to [publicsafety@lists.stanford.edu](mailto:publicsafety@lists.stanford.edu).
- By phone at 650-723-9633

Service complaints and/or alleged misconduct by employees will be investigated in a timely manner with fairness, neutrality, and impartiality. The Chief/Director of Public Safety will review all completed investigations and determine appropriate corrective measures. Complainants who file a formal complaint will be notified of the outcome in writing.

## PROGRAMS & OUTREACH

SUDPS is pleased to provide a variety of programs and outreach activities.

### **SUDPS outreach programs strive to:**

**Build trust** between SUDPS and the community we serve.

**Maintain open lines of communication** to identify and resolve issues in a collaborative manner.

**Provide materials and programs to educate** and increase awareness about safety and security.

**Assist the community** in taking steps to reduce opportunities for crime.

Contact SUDPS at 650-723-9633 (M-F, 8 a.m. to 5 p.m.) or [community-outreach@lists.stanford.edu](mailto:community-outreach@lists.stanford.edu) to request an appointment or additional information about our programs. Please note that due to COVID-19, some programs may be offered as virtual engagements or may be suspended until campus policy allows for the resumption of certain activities.

In all programs, students and employees are encouraged to share in the responsibility for their individual safety and security as well as the safety and security of others.

In 2019, members of SUDPS provided a total of 152 outreach events, including safety and security education programs, reaching over 4,400 attendees, as detailed in the following descriptions. Department services offered to our community include:

**Dialogue with a Deputy** - Chat informally with a deputy to learn more about law enforcement and how SUDPS serves the community.

**Community Police Academy** - Offered annually in the Winter Quarter, this course aims to demystify public safety, build trust, and develop partnerships between SUDPS and the community it serves. The course is open to all Stanford students, staff, and residents, with 2 credits available for Stanford students. In 2019, the class was attended by 21 community members.

**Active Threat Preparedness** - Run? Hide? Fight? What would YOU do?

If you're faced with a threat, such as an active shooter, whether you're at work, home, or a public space, you should know your options and have a plan. Learn useful tips and get practical training from SUDPS that can help you and others around you stay safe.

The trained presenters can provide a 30-minute overview of Department of Homeland Security recommended responses. Additionally, we can stay for extended question and answer time or a brief activity to further reinforce the presentation.

Presentations can generally be provided at times to suit your audience, including evening or early morning hours. With additional planning, presentation elements can be designed to suit the needs of your group. Trained SUDPS staff provided 36 presentations to over 1,780 faculty, staff, students, and contract employees in 2019.

**Custom Program Presentation or Talk** - Schedule a presentation or talk designed to address the unique needs and concerns of your individual group or department.

**Building and Dorm Liaisons** - Meet the deputy liaison assigned to your on-campus residence for an informal or formal meeting.

**Ride-Along** - Patrol with a deputy or PSO, by appointment. In 2019, SUDPS provided 38 ride-alongs.

**Bicycle Safety Program<sup>1</sup>** - Join SUDPS in an initiative to create a safer cycling culture at Stanford. This one-hour presentation on how to ride defensively and in accordance with university policies and state laws is held roughly twice a month. In 2019, 321 community members attended 22 classes.

**Resource Fairs and Community Events** - Invite SUDPS to your next fair or gathering to provide safety and security information and answer questions. Annually, SUDPS participates in the New Student Orientation Parent Resource Fair, Parents Weekend Resource Fair, and other school and department-affiliated fairs throughout the year.

**Safety and Security Presentations** - Learn how to reduce opportunities for crime, protect your property, enhance your personal safety, and guard against bicycle, mobile device, and identity theft. SUDPS provided 37 presentations to over 1,356 attendees in 2019.

**Home Security Assessments** - Community members residing in faculty and staff housing may request an assessment by trained SUDPS crime prevention staff. Additionally, residents may also request vacation checks of their home while they are away.

<sup>1</sup> Also referred to as the Bicycle Diversion Program. Participation in the program will lead to the dismissal of a citation for a bicycle violation issued on campus. For details, visit [police.stanford.edu/bicycle-safety-class.html](https://police.stanford.edu/bicycle-safety-class.html)

**Stanford Kids Identification Kits** - Parents can record their child's fingerprints, photo, and description on an identification card retained by the family.

**Security Vulnerability Assessments** - Upon request by a school, department, or building management, a review of a facility or building can be conducted by trained SUDPS staff who can provide suggestions to improve or enhance security and safety based on Crime Prevention Through Environmental Design (CPTED) strategies.

**Office Security Education Program (OSEP)** - A department or a building or zone manager may request an unannounced security assessment, by a plainclothes officer, to evaluate unsecured or unattended property with the intent of raising staff awareness and reducing potential theft. In 2019, SUDPS staff performed three OSEP assessments.

# Reporting Crimes & Emergencies

Members of the Stanford community are encouraged to immediately and accurately report any criminal offense, suspected criminal activity, or other emergency directly to the Stanford University Department of Public Safety or the law enforcement agency with jurisdiction where the incident is taking place or occurred. If an individual affected by a crime is unable to report, prompt reporting by a member of the community is encouraged. SUDPS will investigate reports in a timely manner, conduct thorough and impartial investigations, and submit cases to the District Attorney for prosecutorial review, when appropriate, for crimes that take place on the main campus. For detailed information related to the reporting of sexual assault, domestic violence, dating violence, and stalking, see the section beginning on page 48.

Certain Stanford employees, as well as persons affiliated with the university (e.g., contractors and volunteers), may have legal obligations to report specific crimes pursuant to federal and/or state laws. Some may have reporting obligations to the university separate from or in addition to reporting obligations to law enforcement. University affiliates and employees should review the Stanford Administrative Guide and this document for additional information. Employees may also consult with their respective Human Resources Managers or the Office of the General Counsel to determine if they are subject to mandatory or required reporting.

## FOR IMMEDIATE POLICE, FIRE, OR MEDICAL RESPONSE

**Dial 9-1-1** from any non-university phone or cell phone (free from a pay phone), or dial 9-9-1-1 from any Stanford University phone.

**Press the red button to activate a blue 911 emergency telephone tower** and connect directly with an emergency services dispatcher. Activating a tower will transmit your exact location and also activate a blue strobe light on the top of the tower to alert others, including response personnel, to the tower location. There are over 200 tower and phone locations on the main campus, including towers on the pool decks of the aquatic center that include defibrillators.

Provide the dispatcher with a description of the incident or type of emergency, location, time of occurrence, any injuries, weapons involved, description of the suspect (e.g., gender, height, other distinguishing features, attire), associated vehicles (e.g., license plate, make, color), and the direction of travel. See the example on the next page.

## HOW TO REPORT A CRIME

Start with the **what** and **where**: “My bike was just stolen from outside (building name or address).”

Then **who**:

-Perceived gender, height, hair color/style, eye color, and other features: “I saw a male with white hair in a ponytail.”

-Clothing (from top down) and any distinguishing characteristics: “They were wearing a gray shirt, black pants, and they were 6 feet tall and muscular.”

Then **where to respond** (if different than the original scene):

-Mode & direction of travel, such as car color, make/model, and most importantly license plate and state:

“They put my bike in the back of a white truck and drove West on Main Street. The license plate is California V876ASD.” **OR**

“They went westbound on Main in a Ford F-150.

“It was a white truck and it had a black bed-liner.” **OR**

“They are going toward the library on a red mountain bike with black wheels.”

## NON-EMERGENCY INCIDENT REPORTING

For a non-emergency response on the Stanford main campus, dial **650-329-2413** to reach the Palo Alto Communications Center (PACC). The PACC provides police, fire, and medical dispatching for the main campus. PACC also provides non-emergency service response for the city of Palo Alto at the same number.

For business matters such as questions about parking assistance with events, or to speak with a member of SUDPS, call **650-723-9633**.

For a non-emergency response at the Stanford Redwood City campus, during business hours (Monday - Friday, 8 a.m. to 5:30 p.m.), contact the Redwood City Police Department main office at **650-780-7100**. The 24-hour dispatch center can be reached for non-emergency concerns at **650-780-7118**.

In Menlo Park, call **650-330-6300** for non-emergency assistance, 24 hours a day.

## Responding to a Bomb Threat

**If you receive a bomb threat over the phone,** *try to stay calm and gather information from the caller.*

- Write down the possible gender, age, and unique speech attributes of the caller.
- Note if anything can be heard in the background.
- If they do not tell you, ask the caller where the device is located and when it is set to detonate.
- Call 9-1-1 or 9-9-1-1 from a university phone immediately and provide the details.

**If you receive a suspicious package,** *call 9-1-1 or 9-9-1-1 on a campus phone immediately.*

Advise others to move away from the area. Do not handle or move the package. If advised by the police to evacuate, report to your Emergency Assembly Point, (refer to procedures on page 30 for more information), unless otherwise directed by emergency response personnel.

**If you receive an email bomb threat or other threatening email** *call 9-1-1 or 9-9-1-1 immediately.*

Do not delete the message. Law enforcement personnel will need all the details of for the investigation.

## Hazardous Materials Incidents

In addition to calling 9-1-1 or 9-9-1-1 from a campus phone for serious and life-threatening situations involving hazardous materials, the university has response protocols for less serious incidents.

Refer to the Administrative Guide for institutional response and resource information concerning hazardous material spills and other non-police emergencies occurring on campus:

[adminguide.stanford.edu/chapter-7/subchapter-1/policy-7-1-1](http://adminguide.stanford.edu/chapter-7/subchapter-1/policy-7-1-1)

[adminguide.stanford.edu/chapter-7/subchapter-2/policy-7-2-1](http://adminguide.stanford.edu/chapter-7/subchapter-2/policy-7-2-1)

Additional emergency response information is available in the Emergency Response Guidelines in the StanfordMobile app, downloadable in the Google Play Store or the App Store, or at [ehs.stanford.edu/manuals/emergency-response-guidelines](http://ehs.stanford.edu/manuals/emergency-response-guidelines)

## MISSING PERSONS

If a person has not returned home, failed to appear for work or for an appointment as anticipated, or if there is a belief that something is suspicious about the individual's absence, report the situation by dialing **9-1-1** or **9-9-1-1** from a campus phone. For a missing student, also notify a Residence Assistant, Residence Dean, Academic Director, or other university official. University officials who become aware of a potentially missing student must report associated information immediately to SUDPS. For missing staff and faculty, also notify a Human Resources Manager.

***You need not - and should not - wait 24 or more hours to report a person AS MISSING.***

*Anyone can file a missing person report.*

Stanford is committed to compliance with all relevant laws related to missing student notifications. Pursuant to California Penal Code § 14205(a), a law enforcement agency in California must take a missing person report without delay. When a report is filed with SUDPS, a complete and thorough investigation will be conducted.

In compliance with federal law, students<sup>2</sup>, including those residing in on-campus housing, must specify at least one contact to be notified in the event that the police determine that a student is missing. Identifying one's emergency contact can be done during the university Registrar's annual online check-in procedure, which takes place in the Winter Quarter. The webpage is also available in Axxess year-round. This contact information is kept confidential and is only accessible by authorized university officials for disclosure to law enforcement in a missing person investigation.

Federal law also requires the university to inform students that an emergency contact will be notified within 24 hours of the person being determined as missing. For non-emancipated minors, a custodial parent or guardian will be notified within 24 hours, in addition to listed emergency contacts.

## MANDATED REPORTERS

All members of the Stanford community are encouraged to report crimes to local law enforcement. Based on their professional position, some individuals are required or mandated by state or federal law to report certain crimes to law enforcement. For example, in California there are state laws requiring certain employees to report child abuse and elder abuse to local law enforcement. Some healthcare workers are required to report crimes that result in injury, including sexual assault, to local law enforcement. CA State law requires Campus Security Authorities (also referred to as Campus Safety Authorities or CSA's) to immediately or as soon as practicably possible report a violent crime, sexual assault, or hate crime to local law enforcement. Employees are expected to be aware of their reporting obligations and to comply with state and federal reporting obligations. Employees working in states other than California and in other countries are expected to familiarize themselves with mandated reporting laws. For assistance, contact the Office of the General Counsel.

### Child Abuse and Neglect Reporting

Any member of the Stanford community who knows of or reasonably suspects child abuse or neglect should immediately or as soon as practically possible telephone the police or child welfare authorities so that they can investigate and take steps to protect the child. See page 16 for reporting options.

While all members of the Stanford community are encouraged to report known or suspected child abuse or neglect, some members of the Stanford community, due to the nature of their work, are required by law to immediately or as soon as practically possible phone the police or child welfare authorities to report any reasonable suspicion of child abuse or neglect and then follow up with a written report within 36 hours of suspecting the abuse or neglect.

## *Reporting Emergencies & Crimes*

Mandated reporters of child abuse include employees of camps, teachers, clergy, physicians, psychologists, and therapists. Mandatory reporters in these categories must report all incidents of suspected child abuse.

Individuals who, in their work for Stanford, have contact with minors on a regular basis are also considered to be mandated reporters, as are their supervisors, even if the supervisors do not have contact with minors. Mandatory reporters in this category must report incidents of suspected child abuse occurring on the Stanford campus or within a Stanford program. For a full list of mandated reporters, please see section 11165.1 of the California Penal Code.

Stanford mandated reporters are encouraged, but not obligated, to inform their supervisor and the Stanford Compliance Helpline (650-721-2667) of mandatory reports.

The required follow-up written report can be made on the form created by the California Attorney General, available with instructions at [oag.ca.gov/childabuse/forms](http://oag.ca.gov/childabuse/forms). The Office of the General Counsel is available to assist with the written report for child abuse occurring on the Stanford campus or in connection with a Stanford program (650-723-9611).

Do not delay making the phone notification and follow-up written reports according to the schedule required by law in order to consult with counsel. Mandated reporters have a personal legal obligation to report child abuse or neglect immediately or as soon as practically possible. Notifying someone other than the proper authorities does not satisfy this legal obligation. Mandated reporters who fail to report reasonable suspicion of child abuse or neglect to the police or child welfare authorities can face criminal prosecution.

The trigger for calling the authorities is knowledge of or a reasonable suspicion of child abuse or neglect. It is for the authorities to investigate and determine if there is child abuse or neglect. Undertaking an investigation oneself prior to calling the authorities could put a child in further danger.

To make a report, call any of the below numbers:

- In an emergency, call 9-1-1 or 9-9-1-1 from a campus phone.
- The Santa Clara County Child Abuse and Neglect Center takes reports 24 hours a day at 833-722-5437
- The Stanford University Department of Public Safety at 650-723-9633 during business hours or 650-329-2413 after hours.

If the child lives in California, you may call the authorities serving the area where the child lives.

### **Elder Abuse**

Like children, elder and dependent adults are a protected population. Mandatory reporters are required to report known or suspected physical or financial abuse, neglect, or exploitation of elders or dependent adults to the local law enforcement authority and fill out the required forms; go to [sccgov.org/sites/ssa/daas/aps/Pages/report.aspx](http://sccgov.org/sites/ssa/daas/aps/Pages/report.aspx) for additional information.

To make a report, call any of the below numbers:

- In an emergency, call 9-1-1 or 9-9-1-1 from a Stanford campus phone
- The Santa Clara County Social Services Agency 24-hour abuse hotline 800- 414-2002 or 408-975-4900
- The Stanford University Department of Public Safety at 650-723-9633 during business hours or 650-329-2413 after hours.

## CAMPUS SECURITY AUTHORITIES

The accurate reporting of crimes helps keep the community informed and ensures institutional compliance with state and federal laws. Anyone who experiences or witnesses a crime or Prohibited Conduct<sup>3</sup> is encouraged to make a voluntary, official report to the police or a university Campus Security Authority (CSA). No personal identifying information will be included in the annual report of crime statistics or any publicly-available Clery Act compliance records, and the university will endeavor to keep the details of the Prohibited Conduct and the involved parties private.

### “Campus Security Authority” (CSA) Defined

As defined by the Clery Act, a federal law codified in 34 CFR § 668.46, a Campus Security Authority (CSA) is: (1) A campus police department or a campus security department of an institution; (2) any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security department under part (1) of this definition, such as an individual who is responsible for monitoring entrances into institutional property; (3) any individual or organization specified in an institution’s statement of campus security policy as an individual or organization to which students and employees should report criminal offenses; (4) an official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline, and campus judicial proceedings. If such an official is a pastoral or professional counselor, the official is not considered a Campus Security Authority when acting as a pastoral or professional counselor. If you have questions about whether your position or job functions meet the definition of a CSA, please contact the university’s Clery Compliance Coordinator (see page 18 for contact information).

When a CSA becomes aware of an incident that involves an ongoing or imminent threat to the community that might require a Timely Warning or Emergency Notification to be distributed, the CSA should call 9-1-1 or 9-9-1-1 from a campus phone, immediately or as soon as practicably possible.<sup>4</sup>

<sup>4</sup> See pages 24-27 for more information on Emergency Notifications and Timely Warnings.

## Persons Exempt From Reporting Clery-Reportable Crimes

The Clery Act specifically excludes the following persons from Clery reporting requirements when the person is operating in the course and scope of their license:

**Pastoral Counselor** – a person who is associated with a religious order or denomination and is recognized by that religious order or denomination as someone who provides confidential counseling within the scope of their position as a pastoral counselor.

**Professional Counselor** – a person whose official responsibilities include providing mental health counseling to members of the institution's community and who is functioning within the scope of his or her license or certification.

Pastoral and professional counselors who learn about Clery-reportable crimes in the performance of their official duties are not required to report these crimes to the Clery Compliance Coordinator for inclusion in the annual security report or for the purposes of a Timely Warning. There is no specific university policy requiring pastoral and professional counselors to encourage victims of crimes to make an anonymous report for inclusion in compiling Clery Act statistics.

## Reporting Crimes in Compliance with Federal and State Law

Campus Security Authorities have reporting responsibilities under both federal and state laws. The university expects CSA's to be familiar with their obligations and to comply with these federal and state laws. The following pages provide greater detail about these legal obligations. CSA's are encouraged to review the actual laws for additional information and guidance. Each year, an online training is assigned to identified CSA's in the STARS system in **Axess**. Additional resources to assist CSA's with their reporting obligations can be found at [police.stanford.edu](https://police.stanford.edu) under the 'Clery CSA' tab.

## CSA Reporting Obligations - Reporting Clery Crimes to the Clery Compliance Coordinator

*Federal Law (34 CFR 668.46 (c))*

Any CSA who becomes aware of a Clery-reportable crime, as noted below, that occurred on the main Stanford campus or property owned or controlled by the university (including off-site facilities and locations of short-term control, such as the rental of a room during a university sponsored trip) must report the incident to the university's Clery Compliance Coordinator for the purpose of statistical reporting. The way to notify the Clery Compliance Coordinator is to complete the online form at [CSAforms.stanford.edu](https://CSAforms.stanford.edu) or by completing the PDF form available at [police.stanford.edu/pdf/CSA-Report-Form.pdf](https://police.stanford.edu/pdf/CSA-Report-Form.pdf). Email the completed PDF to:

Clery Compliance Coordinator

[secure-clerycsa@lists.stanford.edu](mailto:secure-clerycsa@lists.stanford.edu)

The Clery reportable<sup>5</sup> crimes are:

- Murder/manslaughter
- Rape
- Statutory rape
- Incest
- Fondling
- Robbery
- Aggravated Assault
- Domestic violence
- Dating violence
- Burglary
- Vehicle theft
- Arson
- Stalking
- Hate crimes
- Alcohol laws violations
- Drug laws violations
- Weapons laws violations

Definitions of these crimes can be found on pages 95-96. Comparisons between the federal Clery definitions and the California Penal Code definitions can be found on pages 103-107.

There is no specified time frame for notifying the Clery Compliance Coordinator for compliance with the Clery

Act; however, the university encourages individuals to notify the Clery Compliance Coordinator in a timely manner and as soon as practicably possible so that a determination can be made as to whether it will be necessary or advisable to send an Emergency Notification or Timely Warning (see pages 24 and 26) about the crime. Note that **California law** has a separate requirement for CSA's to make an immediate notification to the police for certain crimes (see next section).

CSA's – other than those whose university function is to conduct investigations -- are not expected to investigate what has been reported to them. For purposes of Clery compliance, a CSA does not need to provide the names of the involved persons to the Clery Compliance Coordinator.

Include the following information when notifying the Clery Office about a Clery-reportable crime.

- Type of crime (preferably with sufficient information to properly classify the incident)
- The location of the incident (as specific as possible)
- The date and time of the incident
- The date and time the incident was reported to the CSA

## **CSA Reporting Obligations - Crimes to report to Law Enforcement Immediately or As Soon As Possible**

*State Law (California Education Code 67380-67383)*

In addition to prompt reporting to the Clery Compliance Coordinator as described in the previous section, a CSA must also notify local law enforcement when certain crimes occur on the Stanford main campus or property owned or controlled by the university (including off-site facilities and short-term “control” such as the recurring rental of a room during a university-sponsored trip).<sup>6</sup>

---

<sup>5</sup> A crime is “reported” when it is brought to the attention of a Campus Security Authority or local law enforcement personnel by a victim, witness, other third party, or even the offender. It does not matter whether or not the individuals involved in the crime or reporting the crime are associated with the institution. What must be disclosed are statistics from reports of alleged criminal incidents. It is not necessary for the crime to have been investigated by the police, nor must a finding of guilt or responsibility be made to disclose the statistic. Unless the CSA has a job function at the university to conduct investigations, the CSA is not expected to investigate to comply with the Clery Act or the California Education code. A CSA should determine if anyone is in immediate danger or in need of medical attention. A CSA's reporting obligation for compliance with the Clery Act and the CA Ed Code sections 67380-67383 is limited to: what type of crime occurred, where it occurred, when it occurred, and whether the crime involved violence (in which case notification to law enforcement is required in addition to reporting to the Clery Office). It is also not a CSA's responsibility to convince a victim to contact law enforcement if the victim chooses not to do so.

---

<sup>6</sup> If the crime occurs at a property owned or controlled by Stanford that is outside the U.S., consult with the Office of International Affairs or iSOS resources before calling law enforcement. See page 39 for international travel assistance information.

## *Reporting Emergencies & Crimes*

The crimes which must be reported to local law enforcement include (definitions on pages 103-107):

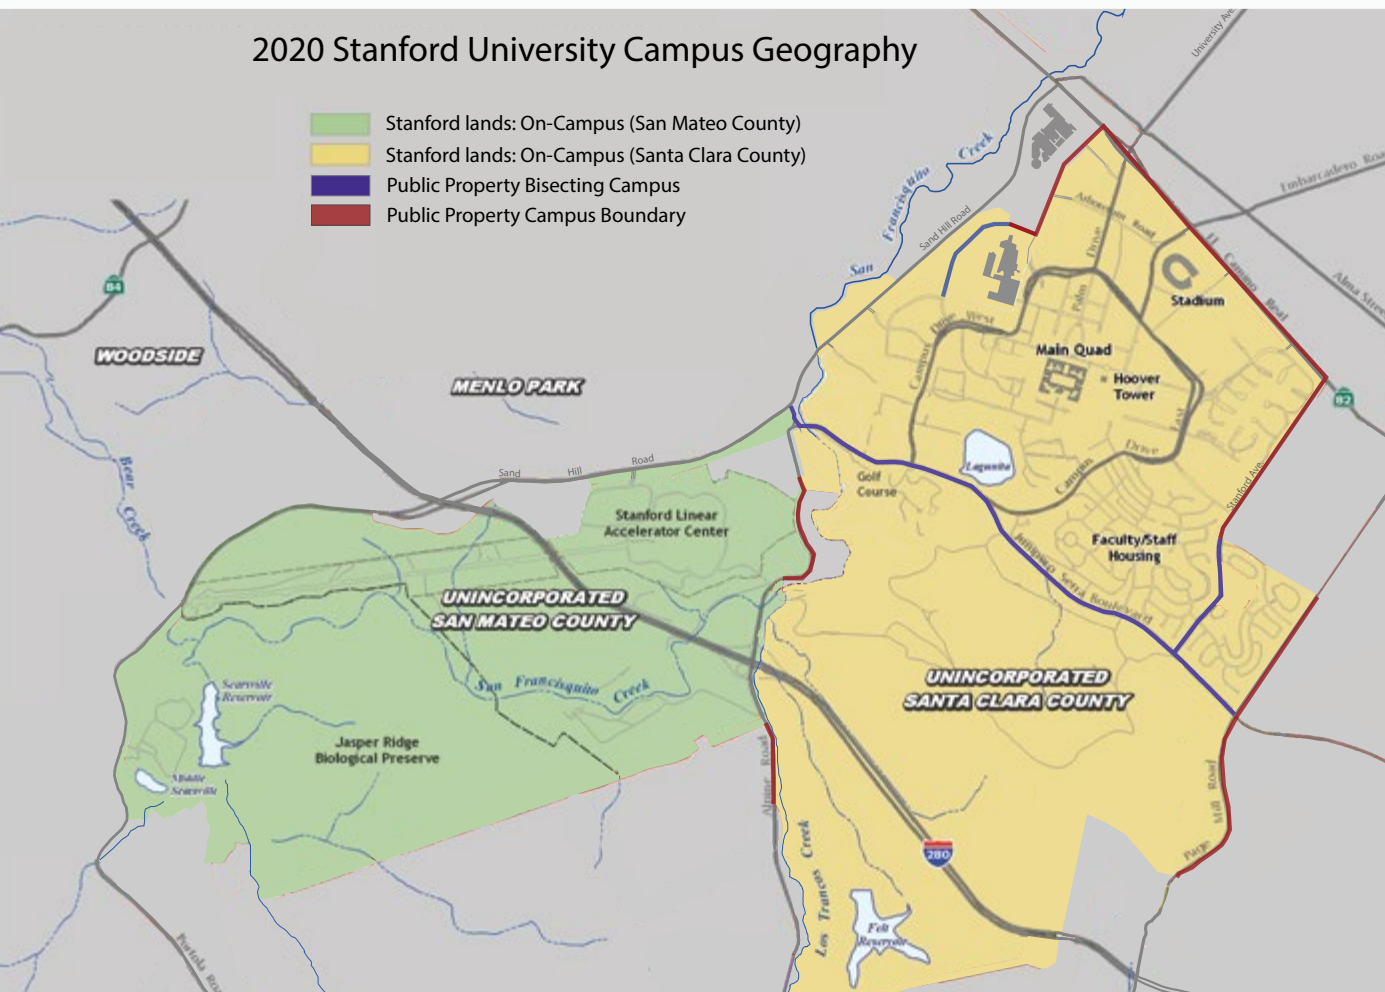

- Homicide
- Robbery
- Aggravated assault
- Sexual assault (including sexual battery) and any threat of sexual assault
- Hate crime (as defined by California Penal Code section 422.55)

To report crimes that occurred on the main campus, call 9-1-1 or 9-9-1-1 from a campus phone if there is an immediate threat to safety. Otherwise, call the non-emergency number at 650-329-2413 and tell the call taker that you need to make a Clery report.

If the victim does not consent to being identified, the alleged assailant shall not be identified in the information disclosed to law enforcement, unless the institution determines both of the following, in which case the institution shall disclose the identity of the alleged assailant and shall immediately inform the victim of that disclosure:

- The alleged assailant represents a serious or ongoing threat to the safety of students, employees, or the institution.
- The immediate assistance of the local law enforcement agency is necessary to contact or detain the assailant.

## CSA Reporting Obligations - Reporting Non-Violent Crimes to the Clery Compliance Coordinator

*State Law (California Education Code 67380)*

Any CSA who becomes aware of any of the crimes or incidents noted in the next column that occurred on the main Stanford campus or property owned or controlled by the university including off-site facilities and short-term “control” (such as a room rental during a recurring university-sponsored trip) must report the incident to the university’s Clery Compliance Coordinator. The way to notify the Clery Compliance Coordinator is to complete the online form at [CSAforms.stanford.edu](https://CSAforms.stanford.edu) or by completing the PDF form at [police.stanford.edu/pdf/CSA-Report-Form.pdf](https://police.stanford.edu/pdf/CSA-Report-Form.pdf). The crimes that the California Education code requires to be reported to the Clery Compliance Coordinator are all Clery-reportable crimes (see page 19) as well as all instances of:

- Theft
- Acts of Intolerance / Non-criminal hate violence
- Destruction of property
- Illegal drugs
- Alcohol intoxication (It is not illegal to be intoxicated inside a private residence; it is illegal to be intoxicated in a public space. Common areas, such as lounges and outdoor spaces, are generally considered to not be private spaces.)

There is no specified time frame for notifying the Clery Compliance Coordinator of these crimes and incidents; however, the university encourages individuals to notify the Clery Compliance Coordinator in a timely manner and as soon as practicably possible so that a determination can be made as to whether it will be necessary or advisable to send an Emergency Notification (see page 24) or Timely Warning (see page 26) about the crime. (NOTE: there is a time frame for notifying local law enforcement of certain crimes, see page 19.)

CSA’s – other than those whose jobs are to conduct investigations – are not expected to investigate what has been told to them. For purposes of complying with the state law for reporting non-violent crimes, a CSA does not need to provide the names of the involved persons to the Clery Compliance Coordinator unless there is an immediate threat to safety. Include the following information when notifying the Clery Office about a Clery-reportable crime:

- Type of crime (preferably with sufficient information to properly classify the crime)
- The location of the incident (as specific as possible)
- Date and time of the incident
- Date and time the incident was reported to the CSA

Additionally, a noncriminal act of hate violence report must include, but not be limited to, the following:

- A description of the act of hate violence
- Victim characteristics
- Offender characteristics, if known

## CSA Frequently Asked Questions

### Complying with the Clery Act & Education Code Sections 67380 & 67383

#### *May I report anonymously?*

Clery Compliance reporting does not require the names of involved persons; however, the name and contact information of the CSA making the report is required so that the Clery Compliance Coordinator can conduct follow up, if needed, to help ensure the crime is properly recorded and to minimize the potential for an incident to be counted more than once.

#### *What happens to the information provided to the Clery Compliance Coordinator?*

The Clery Compliance Coordinator evaluates the information provided and determines 1) if a timely warning recommendation is warranted; 2) how to categorize the crime and location for statistical reporting purposes.

#### *Do I have to submit two forms to the Clery Compliance Office, one for Clery and one for California Education Code?*

No. Once incident information is either submitted by calling SUDPS, completing the web form, or via

email, the compliance requirement for the report of the crime under the Clery Act and the California Education Code will be satisfied (as necessary, SUDPS will make notification to the local law enforcement agency as required by the California Education Code, if requested). However, if the incident must also be reported to Title IX, a separate report to that office will be required.

#### *What happens to the information provided the police?*

When a victim does not wish to be identified to the police, SUDPS will create a record of the crime without conducting an investigation. A victim who wants a criminal investigation to be conducted is encouraged to notify local law enforcement in the jurisdiction where the crime occurred and file a police report.

#### *Do I have to report a sexual assault or other forms of Prohibited Sexual Conduct to both the Clery Compliance Coordinator and Title IX?*

Yes. There are different reporting requirements as well as some limitations as to what can be shared between the offices.

# Emergency Notifications

As required by federal law (20 U.S.C. § 1092(f)), Stanford will immediately create and issue an Emergency Notification to the university community (or a subset of the community) upon confirmation by a first responder<sup>7</sup> of any significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees; notifications will be considered for events occurring on campus or locations in close proximity to the main campus. The university calls its mass notification system AlertSU. Multiple methods may be used to send an Emergency Notification and any follow-up messages. Any of the following methods may be used, and the means may change as the situation progresses:

- **AlertSU mass notification system** via phone, email and/or text message
- **AlertSU outdoor warning system** consists of 7 sirens positioned throughout the main campus that emit alert tones and verbal instructions
- **Stanford Emergency website** [emergency.stanford.edu](https://emergency.stanford.edu) and information hotline 650-725-5555
- **SUDPS website** [police.stanford.edu](https://police.stanford.edu)
- **Radio station** KZSU 90.1 FM
- **Campus & local newspapers**
- **Twitter** [@Stanford](https://twitter.com/Stanford)
- **Department Operations Centers (DOC's)** and department email lists

An AlertSU message will be sent unless issuance of the notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or contain, respond to, or otherwise mitigate the emergency. The content of the message will vary depending on the situation. The nature and location of the incident can determine the division or unit that develops the content, which typically includes the incident time, location, type, and recommended actions for safety.

If the telephone notification system is activated, an automated voice message will be sent to the telephone number that Stanford faculty, staff, and students have registered in the Stanford directory (via [StanfordYou](#) or [Axess](#)).

If the SMS (text) and email notification system is activated, the message will be sent to mobile phones and Stanford email accounts or other accounts as indicated by the settings in one's personal profile entered into [StanfordYou](#) or [Axess](#).

As of 2018, AlertSU has the capability to request responses from community members. If this polling feature is activated in an emergency, you may be requested to "check in" as a part of the university's accounting for members of the community. Follow the instructions and/or links in the SMS message or email to provide requested information about your personal safety status.

<sup>7</sup> First responders may include staff from SUDPS, Palo Alto Fire Department, EH&S, or other professional emergency and first responders.

AlertSU does not currently have the capability to limit messages to specific areas of the campus. As needed, first responders can determine the appropriate segment of the campus community, based on available information, to specify recipient groups such as faculty and staff or students. Members of other local communities can access the Stanford Emergency Website, [emergency.stanford.edu](https://emergency.stanford.edu), and the information hotline at 650-725-5555.

If the outdoor siren alert system is activated, a tone will be emitted from one or all of the seven emergency towers located on campus. That tone is intended to notify those who are between campus destinations or enjoying an outdoor space that there is an emergency; listen for further instructions and seek information from official sources.

## Individuals Authorized to Initiate & Send Campus-Wide Emergency Notifications

Persons authorized to compose and initiate the sending of an Emergency Notification to the entire campus or a subset of the campus will evaluate available verified information, determine appropriate message content, and initiate the message via appropriate means through the university's mass notification system. Authorized persons include: the university President and the Provost (or designee), the General Counsel, the Chief of the Department of Public Safety (or on-scene SUDPS Incident Commander or designee), the Associate Vice Provost for Environmental Health & Safety, the Vice President for Public Affairs, the university Emergency Manager, the Associate Vice President of University Communications, the Sr. Director for Strategic Communications, and the Executive Director of UIT Services. Members of SUDPS, UIT, University Communications, and EH&S are authorized to send approved messages. Individual Department Operations Centers are authorized to create and send messages to their respective communities about localized emergencies.

## Pre-Planning for Emergency Communications

After an emergency – such as an earthquake – local telephone lines may have reduced capacity. Avoid making phone calls immediately after an emergency, unless it is to report a life-safety situation. This is necessary so that lines remain available for emergency services.

One way to stay in contact with your relatives after an emergency is to call an out-of-area telephone contact. Ask the out-of-area contact to call your relatives and friends to let them know your status. Concerned parents, relatives, and friends can also call the information hotline numbers listed below for more information about emergencies in the Stanford area.

The Stanford out-of-area information hotline can be reached at 1-844-ALERTSU (1-844-253-7878) or 01-602-241-6769 (from abroad).

**Follow the directions of AlertSU messages.** AlertSU warnings are intended to assist you in making informed decisions about your personal safety. When you become aware of a warning, take action and make sure others around you are also aware of the potential danger. It is generally a best practice to follow the instructions of police, fire, and medical first responders, AlertSU messages, and knowledgeable university officials, unless you know that doing so will place you in imminent danger.

# Timely Warnings

As required by federal law (20 U.S.C. § 1092(f)), Stanford will issue a Timely Warning to the entire university community when a Clery-reportable crime<sup>8</sup> occurs on campus or in an area surrounding the campus, and the Chief of the Department of Public Safety (or designee), other designated officials as outlined on page 25, or the Senior Associate Vice Provost for Institutional Equity and Access (or designee) determines that the situation represents a serious or continuing threat to the campus community. The decision to issue a Timely Warning will be made on a case-by-case basis. Persons authorized to initiate and send Timely Warnings will do so in a timely manner.

The level of detail included in a Timely Warning will vary depending on the type of crime. The message will include information to aid in the prevention of similar occurrences. The name(s) of a victim(s) will not be published in the Timely Warning. Where possible, information that might identify the victim will also be excluded. Other details may be excluded from a Timely Warning if, in the professional judgment of responsible authorities, the information would compromise law enforcement's efforts to assist a victim or contain, respond to, or otherwise mitigate the emergency.

Timely Warnings will most often be distributed via email; however, additional messaging methods may be employed. Timely warnings may also be distributed via the Emergency Notifications methods listed on page 24.

The decision to issue a Timely Warning for sex offenses involving persons who are acquaintances will be made on a case-by-case basis. Factors which will be considered when making this decision include: the level of force and violence used to commit the crime, the potential use of a drug to commit the crime, and the existence of multiple crimes of a similar nature occurring in close proximity, either in time or location. The Stanford Chief of the Department of Public Safety and the Senior Associate Vice Provost for Institutional Equity and Access (or their designees) are responsible for determining if a Timely Warning will be issued for non-stranger sexual assaults; either official or their designees may make this determination. Consultation with other university staff persons may occur on a need-to-know basis.

<sup>8</sup> A list of Clery-reportable crimes is listed on pages 95-96.

### Frequently Asked Questions AlertSU Messages

#### *Why do I get messages at 3 A.M.?*

Crimes and other emergencies occur at all hours. Federal legislation requires the university to send Emergency Notifications immediately and Timely Warnings promptly, when pertinent information becomes available. The intent of the law is to ensure members of the community are informed so they may take appropriate measures for their safety.

#### *Can I choose to get emails only?*

You cannot choose a particular delivery method as your preference. The method(s) by which the notifications are distributed depends upon the nature of the emergency or criminal activity. The university Official who authorizes the message will select the delivery method(s) appropriate for the content of the message and the immediacy of any suggested safety precautions.

#### *Can I opt out of receiving messages?*

Students are required to maintain contact information in **Axess**. Students may opt out of receiving text messages. Faculty and staff are required to maintain their work phone number, Stanford-provided email, and any university-reimbursed or provided cell phone information in their **StanfordYou** account. We encourage students, faculty, and staff to not opt out of receiving text messages. Opting out will decrease the likelihood you will receive important information during an emergency.

# General Campus Safety

## Personal Accountability

Students, faculty, and staff are responsible for their individual safety and the security of their property. Acting collectively, with others in mind, helps promote safety and security for the entire campus. Be an active community member — help and support someone whom you sense may be at risk. Refer to page 90 for information on bystander intervention strategies specific to sexual assault. The Threat Assessment and Management Team is also a resource for reporting any concerning behavior; see pages 36-37 for details or contact [TAM4Safety@stanford.edu](mailto:TAM4Safety@stanford.edu).

## Violence on Campus & in the Workplace

Stanford University will not tolerate violence or threats of violence on campus or in connection with university events. Persons who violate the law are subject to arrest.

In addition to laws prohibiting violence, the Stanford University Administrative Guide has a policy specific to violence in the workplace. Employees who violate the university policy on violence (or who bring false charges) will be subject to corrective action, up to and including termination. Students who violate the university's policy could be found to be in violation of the Fundamental Standard and subject to disciplinary action, ranging from a formal warning and community service to expulsion.

More information can be found in the Stanford University Administrative Guide, section 2.2.4, at [adminguide.stanford.edu/chapter-2/subchapter-2/policy-2-2-4](http://adminguide.stanford.edu/chapter-2/subchapter-2/policy-2-2-4)

## Sex Offender Registry

California law requires sex offenders who are employed, volunteer, are a resident of, or enrolled as a student at an institution of higher education to register with the campus police. California's Megan's Law provides the public with certain information on the whereabouts of sex offenders. Go to [meganslaw.ca.gov](http://meganslaw.ca.gov) for more info. The existing provisions of Megan's Law address the requirements of the federal law known as the Adam Walsh Child Protection and Safety Act.

## Prohibition of Weapons on Campus

Stanford University prohibits the possession of any of the following weapons on the Stanford campus: firearm, dirk, dagger, ice pick, knife having a blade longer than 2 1/2 inches (except for lawful use in food preparation or consumption), folding knife with a blade that locks into place, razor with an unguarded blade, taser, stun gun, instrument that expels a metallic projectile (such as a BB or a pellet), spot marker (paintball) gun, or any other weapons prohibited by California Penal Code Sections 626.10 and 626.9.

For purposes of this policy, the term "Stanford campus" shall include all the lands, buildings, and facilities of Leland Stanford Junior University, whether owned, leased, and controlled, and whether located in the United States or abroad (excluding the privately owned, managed, or leased residences of faculty or staff that are located on the main Stanford campus in unincorporated Santa Clara County).

In addition to the prohibited weapons, ammunition is not allowed to be stored or possessed in university owned, leased, and controlled buildings (excluding the privately owned, managed, or leased residences of faculty or staff that are located on the main Stanford campus in unincorporated Santa Clara County). In the event a federal or state law or a county ordinance is more restrictive than this policy, federal or state law or the county ordinance shall apply.

Requests for an exemption from this policy for academic purposes may be requested in writing to the Director of the Stanford University Department of Public Safety. Each request will be considered on a case-by-case basis and be evaluated by the Office of Risk Management and the Department of Public Safety. A written letter will be provided by the Director of the Department of Public Safety in the event an exemption is granted. The Stanford University Department of Public Safety does not provide facilities for the storage of firearms.

## Facilities Maintenance

All members of the campus community are encouraged to promptly report facilities and equipment issues to Buildings and Grounds Maintenance at 650-723-2281 (24 hours/7 days). To request a security assessment or the attention of nightly security patrols, contact SUDPS at 650-723-9633 (Monday - Friday, 8 a.m. - 5 p.m.), or email [police@stanford.edu](mailto:police@stanford.edu)

## University Emergency Response

Stanford University will respond to reports of crimes and emergencies with the resources to best achieve the overarching emergency response goals: to protect life safety, secure critical infrastructure, resume the teaching and research program, and provide timely information and communications. The university's Emergency Operations Center (EOC) will coordinate the institutional response to crises. The Department Operations Centers (DOC's) — located in the administrative headquarters of a number of Deans, Vice Provosts, and Vice Presidents — will manage the response at the local level. DOC's transmit emergency impact reports to the EOC and forward emergency information and instructions to their department or school constituents.

## Preparedness Resources

Emergencies and disasters can happen at any moment and usually occur without warning. Community

members are encouraged to familiarize themselves with the Stanford University Department-level emergency plans.

At Stanford, Department Emergency Operations Plans are written by individual departments, schools, and business units, and these plans provide fundamental support to the general Campus Emergency Plan. During a major emergency or disaster, Department Operations Centers (DOC's) may be activated to coordinate and ensure effective communication between university officials and campus departments or schools.

Floor Evacuation maps are posted in main entries, staircase landings, elevator landings, and lobbies within every building on campus. In campus residences, floor evacuation maps are posted inside student bedrooms. The Building Occupant Emergency Action Plan includes a floor plan identifying the locations of all exits, fire extinguishers, fire alarm pull stations, Emergency Assembly Points (EAPs), and a list of instructions for response to a fire or an earthquake.

## Tests and Drills

Activities and exercises designed to assess and evaluate emergency plans and capabilities are conducted both at the department and institutional levels. These tests may be announced or unannounced. The Stanford University Fire Marshal's Office conducts evacuation drills quarterly for Student Housing, monthly for campus childcare centers, and annually for Hoover Tower. For further information on evacuation drills conducted in 2019, see pages 124-131.

On October 22, 2019, the university conducted a pre-publicized annual test of the AlertSU mass notification system, including the outdoor siren, text message, VoIP phones, and email systems; emergency procedures and evacuation plans were publicized in conjunction with this test. Also tested was the polling feature in the Everbridge system. The polling feature provides for individual accountability in an emergency, and SUDPS tracked responses in order to evaluate how to best leverage the feature in an actual emergency.

# Emergency Evacuation Procedures

## GENERAL EVACUATION

Upon activation of the fire alarm system or upon receiving an AlertSU emergency notification advising to evacuate, all persons shall immediately evacuate the building and meet at the predetermined **Emergency Assembly Point (EAP)**, unless directed to another location or unless it is apparent that the EAP is not a safe place to gather. See the sample EAP marker below. At large outdoor venues, such as Frost Amphitheater and the Stanford Stadium, proceed towards the nearest exit and follow any directions provided by safety personnel or event management staff. While evacuating, remain vigilant for dangerous or criminal activity, and report such observations to the police, as soon as possible.

Familiarize yourself with the evacuation procedures for any building you visit; also locate the nearest exit and fire extinguishers.

## FIRE EVACUATION PROCEDURES

### Student Housing and Other Campus Facilities

**Report a fire or smoke**, even if the fire has been extinguished.

- Use fire alarm pull stations (a horn will sound and a strobe will flash) AND
- Call 9-1-1 on a cell phone, or 9-9-1-1 from a university phone.

### Evacuate

- Leave the building as soon as you hear the sound of an alarm in a campus building or receive evacuation instructions via the AlertSU system (drills are not an exception).
- If possible, advise others and offer assistance to those with a disability or mobility challenges

### Choose a safe exit

- Before opening a door, check the door for warmth with the back of your hand:
  - If warm, leave the door closed, stuff towels or clothes in the cracks, and open a window.
  - If not warm, open the door slowly (CAUTION: the doorknob may be hot) but be prepared to close it quickly, if necessary.
- Close doors as you leave to confine a fire.
- If you see or smell smoke in a hall or stairway, use another exit.
- Never use elevators; always use the stairs.

### Help others evacuate

- Knock on doors, and check bathrooms as you leave.
- Offer assistance to individuals with physical disabilities.

### Report to the Emergency Assembly Point (EAP) for your building

- Stanford EAP's are denoted by a symbol of a blue triangle enclosed in a white circle. Every building on campus has at least one assigned EAP.
- Upon arrival, check in with your Resident Advisor (for student housing) or a building manager or response team leader. Also report any missing individuals. Faculty are responsible for accounting for individuals attending their classes.
- A map of all campus EAP's can be found at [ehs.stanford.edu/reference/emergency-assembly-points-campus](https://ehs.stanford.edu/reference/emergency-assembly-points-campus)

**Be alert to suspicious activity and immediately report any vandalism or tampering with an alarm.**

### If it is not safe to evacuate

- Close the door to the corridor and seal up cracks with wet towels.
- Go to the window and open it a few inches.
- Call 9-1-1 or 9-9-1-1 to provide information about your situation to responders
- Hang out a bed sheet or other large item to signal for help.

# Facility Security & Access

## Operating Hours and Access

Most academic and administrative buildings and facilities are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, and closed on weekends and university holidays. Some buildings, labs, and libraries are open for extended hours to accommodate evening classes, research, or other special events and programs. Select buildings are open to the public, but most are open only to those with university business and proper credentials for access.

## Facility Security and Maintenance

All members of the campus community are encouraged to promptly report facilities and equipment issues to Buildings and Grounds Maintenance at [650-723-2281](tel:650-723-2281).

Upon request, in an effort to reduce or prevent crime and minimize hazards on campus property, SUDPS will perform security assessments using a strategy known as Crime Prevention Through Environmental Design (CPTED). CPTED-trained staff will evaluate windows and doors, lighting, access control and video surveillance systems, and landscaping conditions, at no charge to the requester. Reports generated from assessments and information from security patrols are forwarded to the appropriate department.

To request a security assessment, email [community-outreach@lists.stanford.edu](mailto:community-outreach@lists.stanford.edu). For security patrol checks, email [police@stanford.edu](mailto:police@stanford.edu).

## Operating Hours and Access

Residences are secured 24 hours a day, 7 days a week, and can be accessed with an issued room key and/or Stanford ID card. Guests may request entrance through a phone entry system. Residents are strongly encouraged to:

- Keep bedroom and apartment doors secured, at all times.
- Keep accessible windows secured when the residence is unoccupied and at night
- Ensure doors lock securely when entering or exiting a residence.
- Do not allow unknown persons into locked student residences or academic facilities.
- Never prop doors open.
- Notify police immediately of any crime or suspicious activity or behavior.

## Facility Security and Maintenance

To ensure security is maintained, malfunctioning or broken lock hardware, card readers, doors, and windows, including in buildings with card and/or key access, must be reported as soon as possible to the Housing Front Desk, Housing Supervisor, or Housing Maintenance 24-hour Hotline at 650-725-1602.

Student Housing performs preventive maintenance and responds to reported issues at student residences.

### **PROTECTION OF PROPERTY** Adminguide 2.4.5

*Each department is responsible for the inventory and safeguard of all valuable equipment. If equipment is loaned, a record should be kept of each temporary assignment. Portable equipment of value should be kept in locked storage when not in use.*

# Crime Prevention

## See Something Suspicious, Say Something Specific

Report crimes, suspicious activity or behavior to the police immediately, including:

- ANY activity or behavior that poses an imminent threat to persons or property.
- Peeping or prowling.
- Solicitors (prohibited inside student residences, per the Student Housing Residence Agreement).
- Before reporting, ask yourself if you can describe what is suspicious about the activity or what crime is being committed.

## Lock It To Not Lose It

- Lock your doors and windows anytime you leave your office or residence, especially on the first floor.
- Never prop open a locked door.
- Don't allow "piggybacking" (when someone unknown to you tries to enter a secured building closely behind you).
- Immediately report malfunctioning locks and card readers to a building/house manager.
- Lock your vehicle and remove valuables.
- Avoid becoming a target of thieves by securing items commonly stolen on campus:
  - Secure laptops in a closet or drawer, or secure them to a fixed object with a cable lock.
  - Secure bicycles by the frame to a bicycle rack with a U-lock.

## Prevent Identity Theft

- Protect your Social Security number and card.
- Inspect your credit report and financial statements regularly. Shred anything with your personal information on it before disposal.
- Never click on links in unsolicited emails.
- Utilize Federal Trade Commission and IRS resources at [ftc.gov/bcp/edu/microsites/idtheft](https://ftc.gov/bcp/edu/microsites/idtheft).
- If you have been the victim of identity theft, report it to your local law enforcement agency and seek assistance at [identitytheftcouncil.org](https://identitytheftcouncil.org).

## Online Security

Notify the Stanford Information Security Office if a computer or another similar device containing any sensitive or confidential information has been lost, stolen, or compromised (Administrative Guide 6.6.1). Incidents involving theft of property or information should also be reported to the police. Information and account security for Stanford University systems is also regulated by the *Computer and Network Usage Policy*, Administrative Guide 6.2.1. Report policy violations to the Information Security Office at 650-723-2911 during normal business hours or to the Office of General Counsel after-hours phone line at 650-736-7808 outside of business hours. To help prevent hacking and learn more about best practices, see [uit.stanford.edu/security](https://uit.stanford.edu/security).

In the next 24 months, six emergency phone towers will be added around new construction at parking garages and near Lake Lagunita.

# Violence Prevention

The university will not tolerate violence or threats of violence anywhere on campus or in connection with university-sponsored events. Persons who become aware of situations which pose an imminent threat to the safety of the community or one of its members, including self-harm, should call 9-1-1 or 9-9-1-1 from a campus phone immediately. Persons who become aware of situations which might pose a threat to the safety of the community or one of its members are encouraged to consult with a member of the Threat Assessment and Management Team or other appropriate university official in a timely manner. See page 37 for additional information about such consultations.

## THE STANFORD UNIVERSITY THREAT ASSESSMENT MANAGEMENT TEAM

The university's Threat Assessment Team is comprised of professional staff who meet regularly to review best practices and current trends in behavioral threat assessment and to consult about matters of immediate concern. The Threat Assessment and Management team is committed to maintaining an environment where people feel safe to carry out the university's mission. Education, communication, collaboration, coordination of resources, and early intervention are the cornerstones of Stanford's violence prevention efforts.

The core team, consisting of the Executive Director of the Threat Assessment Office and representatives from SUDPS and the Office of the General Counsel, reviews information about matters brought to the attention of the Threat Assessment and Management Team. An expanded team can be activated to ensure the university can respond with an appropriate strategy and breadth of resources to reach a resolution. Expanded members may include representatives from: the Faculty and Staff Help Center, Human Resources (University, Medical School, SLAC), Risk Management, the Office of the President, and other departments, depending on the situation.

The responsibilities of the university's Threat Assessment and Management team are to:

- Proactively develop procedures for response to actual or potential violence.
- Serve as a resource to develop appropriate response strategies.
- Review and coordinate training materials and programs.
- Periodically review and update Stanford's workplace violence policy.
- Develop contacts with outside threat assessment professionals.

- Keep current on legal issues related to workplace and academic safety and incident response.
- Stay abreast of developing trends both domestically and internationally.
- Deploy future forecasting models to anticipate developments.

# Reacting to A Threat of Violence

The following information incorporates current best practices and is offered to provide you with steps you can take in the unlikely event you find yourself in an active threat or active shooter situation. One way to prepare yourself is to consider possible escape routes when you first visit a new place, whether it is a classroom, dorm room, a movie theater, or a mall.

**If an active threat is nearby, RUN** *Flee the area, if it is safe to do so.*

- Don't take time to gather your belongings.
- Quickly put distance and buildings between you and the threat. Leave the area.
- If you have information that will assist the police, such as the suspect description or location, call 9-1-1 (or 9-9-1-1 from a campus phone).

**If escape is not an option, HIDE** *Shelter in place and take steps to increase your safety, and if possible, the safety of others around you.*

- Lock and barricade doors. Seek cover by placing as much material as possible between you and the threat. Even if you can't prevent the door from being opened, block entry as best as you can.
- Turn off lights (to make the area appear that it is unoccupied).
- Close blinds and/or block windows.
- Keep other occupants calm, quiet, and out of sight.
- Silence cell phones (turn off vibration as well) but do not turn them completely off.

- As soon as it is safe to do so, notify law enforcement by calling 9-1-1 or (9-9-1-1 from a campus phone).
- Remain concealed until the threat has passed or you have been advised by law enforcement that you can exit.
- Do not sound the fire alarms unless there is a fire. Evacuation during an active threat event could place people in harm's way.

**If confronted by an attacker, FIGHT** *Do everything in your power to overcome the threat.*

- Fight back and do whatever it takes to survive.
- Attack aggressively and in coordination with others, when possible.
- Throw objects or improvise other weapons (backpacks or bags, fire extinguisher, office equipment, hot liquids, keys, pens, etc.).
- Do not approach emergency responders; let them come to you. Raise both your hands over your head and follow the directions of law enforcement. Emergency responders may not be able to distinguish between victims and the persons posing the threat.

# Controlled Substances & Alcohol

As stated in Administrative Guide 2.2.8, Controlled Substances and Alcohol, it is the policy of Stanford University to maintain a drug-free campus. It is widely recognized that the misuse and abuse of controlled substances, illegal drugs (collectively called controlled substances<sup>11</sup>) and alcohol are major contributors to serious health problems and social and civic concerns. The health risks associated with the use of illicit drugs and the abuse of controlled substances and alcohol include various physical and mental consequences, including addiction, severe disability, and death.

The unlawful manufacture, distribution, dispensation, possession and/or use of controlled substances or the unlawful possession, use or distribution of alcohol is prohibited on the Stanford campus, in the workplace or as part of any of the university's activities.

The Stanford Department of Public Safety enforces state and local laws pertaining to alcohol and drugs on the Stanford University campus. Separate from criminal sanctions, dangerous drinking and behaviors associated with controlled substances may be subject to university disciplinary sanctions up to, and including, termination of employment of staff or expulsion of students. For students, violations of law or policy may also be referred to the Office of Alcohol Policy & Education (OAPE), for individual students, and the Organization Conduct Board, for student groups. Other Offices reporting to the Vice Provost for Student Affairs may also take action.

---

<sup>11</sup> Controlled substances, defined in 21 U.S.C. § 812, include, but are not limited to, substances like marijuana, heroin, cocaine, and amphetamines.

The Office of Alcohol Policy and Education (OAPE) oversees, manages, and holds authority for the application of the university's Student Alcohol Policy (see page 41). It coordinates and implements programs and activities for students who do not drink alcohol or drink lightly, provides party planning registration and advising, and develops resources and services for students who need help for themselves or others related to alcohol use, in accordance with sections 120(a) through (d) of the Higher Education Opportunity Act.

Annual report information about Stanford Alcohol and Drug programs, including detailed descriptions of the effects of alcohol and other drugs, is available at [https://alcohol.stanford.edu/sites/g/files/sbiybj10421/f/oape\\_end\\_of\\_year\\_and\\_dfscs\\_report\\_2019-2020.pdf](https://alcohol.stanford.edu/sites/g/files/sbiybj10421/f/oape_end_of_year_and_dfscs_report_2019-2020.pdf)

The biennial report contains:

- Alcohol and other drugs program vision, mission and goals
- Outline of alcohol and other drugs programs and outreach services
- Survey data
- Program evaluation data
- Program usage and impact data
- Trends and high-risk concerns data
- Health effects of alcohol and drug information

## STUDENT ALCOHOL AND DRUG PROGRAMS

**Vision:** A Stanford community that fosters inclusion by promoting a safe, fun and responsible social living and learning environment, taking into account the diverse population of students and varying levels of student development.

**Mission:** To reduce high-risk drinking and its related negative consequences among Stanford students and increase social outlets that support non-drinkers and light drinkers by providing collaborative, cutting-edge, empirically-proven educational strategies and programs.

**Goals:**

1. Enhance alcohol education and risk reduction efforts across campus.
2. Provide clarity and consistency in the application of the Student Alcohol Policy.
3. Create ongoing social outlets for students that deemphasize alcohol.
4. Shift campus culture away from hard liquor consumption in the form of shots.
5. Collect data to assess trends and evaluate needs on an ongoing basis.

### Student Alcohol Policy

Stanford University does not tolerate reckless drinking — lawful or unlawful — and its consequent harmful behaviors. As stated in the Student Alcohol Policy, “Members of the Stanford community are expected to abide by all federal, state, and local laws, including those governing alcohol consumption and distribution. Under California law, it is illegal for anyone under the age of 21 to purchase alcohol or to possess alcohol in a public space. It is also illegal for anyone to furnish alcohol to an individual under the age of 21.”

Additionally, all members of the Stanford community are expected to make healthy choices concerning their personal use of alcohol, including understanding the physical and behavioral effects of alcohol misuse and preventive measures to ensure their own safety and that of their peers.

In addition to the sections below, the full text of the Stanford University Student Alcohol Policy is available at [alcohol.stanford.edu/home/stanford-university-student-alcohol-policy](https://alcohol.stanford.edu/home/stanford-university-student-alcohol-policy).

## Distilled Liquor/Hard Alcohol Container Policy

The following restriction goes beyond state law requirements, and for the avoidance of doubt, this policy applies to all co-terminal and undergraduate students living in undergraduate housing: Distilled liquor/spirits/hard alcohol (alcohol by volume 20 percent and above; 40 proof) bottles, containers, etc. 750 mL and above are prohibited in undergraduate student residences (rooms, common spaces, etc.) and in the possession of undergraduate students in university public spaces.

Failure to comply will result in referral to a Residence Dean and the Office of Alcohol Policy and Education (OAPE) for administrative actions. Continued or concerning behavior may result in removal from university housing or referral to the Office of Community Standards. Distilled liquor/spirits/hard alcohol in bottles, containers, etc. smaller than 750 mL that are allowed under this policy for people 21 years of age or older must be contained and stored in the original bottle, container, etc. in which it was purchased from a licensed establishment.

## Hard Alcohol and Parties

All parties must be registered with the university, and the availability of alcohol is regulated by party planning guidelines coordinated by OAPE. Distilled liquor/spirits/hard alcohol (alcohol by volume 20 percent and above; 40 proof) is prohibited at all categories of undergraduate student parties. Beer and wine are the only alcoholic beverages that can be present at all on-campus undergraduate student parties. Any group or residence that includes undergraduate members is subject to this policy restriction.

Groups and residences that are 100 percent graduate student in membership are exempt and may have hard alcohol in the form of mixed drinks at registered “members” parties. Shots of hard alcohol are prohibited at all parties.

# Prohibited Sexual Conduct

Acts of sexual assault, sexual harassment, dating violence, domestic violence, stalking, and retaliation are unacceptable and will not be tolerated at Stanford University (Administrative Guide 1.7.1). Hereafter, matters prohibited by Administrative Guide 1.7.1 will be referred to collectively as “Prohibited Sexual Conduct.” Included within Prohibited Sexual Conduct is conduct prohibited by Title IX, state laws, and university standards.

The university will continue to evaluate Prohibited Sexual Conduct policy, procedures and associated definitions. The policy references and definitions herein are accurate at the time of release and subject to revision. Please see the online Safety, Security and Fire Report at [police.stanford.edu/security-report.html](https://police.stanford.edu/security-report.html) for updates.

The university has designated procedures to respond and investigate allegations of Prohibited Sexual Conduct. The Title IX Procedure applies to all respondents under circumstances in which the misconduct meets the jurisdictional threshold of the federal regulations implementing Title IX. Title IX jurisdiction exists when all of the following apply:

- The conduct falls within a Title IX definition of Prohibited Sexual Conduct
- The conduct happened in the United States
- The conduct happened on campus or was connected to a university program or activity
- The complainant (the victim) was accessing a university program or activity at the time of the report
- The conduct occurred on or after August 14, 2020

The university has additional procedures to address conduct that is not covered by Title IX but that otherwise is subject to Administrative Guide 1.7.1. One procedure applies to faculty and student respondents, the SHARE Hearing Procedure, and one procedure applies when a student complainant brings forward a complaint against a staff or postdoctoral scholar, the SHARE Investigation Procedure. All investigation and hearing procedures for Prohibited Sexual Conduct violations will provide a prompt, fair, and impartial process from the initial investigation to the final result.

Federal and state laws, regulations, and university policies each provide definitions for sexual assault, dating violence, domestic violence, and stalking (collectively “Prohibited Sexual Conduct”). Definitions can vary between federal and state law. State definitions are used by police and prosecutors to determine if a crime has been committed. University policy definitions are used to determine whether there has been the commission of an act of Prohibited Sexual Conduct, and these definitions control whether university remedies or discipline will be imposed. Many definitions are prescribed by Title IX and the Clery Act, federal laws. Definitions from the Clery Act are used by all institutions in the United States to classify and report crimes under the Clery Act. The definitions that were in effect for the years reported in this publication are on pages 95-96. It is important to note the definitions in order to better understand how to interpret the statistical data. For comparison of federal (Clery), state, and university policy definitions, see pages 102-107.

## Prohibited Sexual Conduct

### STATEMENT OF VALUES

Stanford University and the Stanford University Department of Public Safety are committed to the following principles regarding response to sexual assaults.<sup>12</sup>

**Improving communication, coordination, and collaboration:** Enhance communication, coordination, and collaboration to remedy sexual assault and violence and hate crimes, and to respect a victim's privacy.

**Championing campus and community safety:** Receive trauma-informed training to assist in the recognition that any allegation regarding sexual misconduct requires sensitive treatment and also directly impacts the real and perceived safety of all members of the campus community. Such training should also include trauma-informed interviewing techniques.

**Upholding the civil rights, civil liberties, and victim's rights:** Comply with state and federal laws in a manner that protects individuals' civil rights and liberties, while prosecuting crimes, championing justice for victims and protecting the legal rights of both complainants and the accused; conduct thorough investigations in a manner that is fair and impartial; recognize explicitly the distinctions between criminal law and civil law and campus investigation and disciplinary proceedings in the handling of sexual violence that arise under both state and federal statutory frameworks.

**Centering the victim's needs in responses to sexual assault:** Institute specialized, trauma-informed responses developed in consultation with campus and community-based victim advocates.

**Ensuring accountability and auditing:** In an effort to promote greater transparency, implement means to self-monitor, record, and accurately maintain all reports of Part 1 violent crimes, hate crimes, and sexual assaults, their outcomes, and processes, while maintaining confidentiality where the law requires confidentiality.

### WHAT TO DO IF YOU HAVE EXPERIENCED A SEXUAL ASSAULT OR OTHER PROHIBITED SEXUAL CONDUCT

#### Address Individual and Community Safety / Seek Medical Attention

An individual's immediate safety and the safety of the community are the highest priorities. If an individual needs immediate medical attention or if there is an imminent threat to that person or others, call 9-1-1 or 9-9-1-1 from a campus phone.

#### Seek Support and Explore Options

The university strongly encourages persons who have been subjected to Prohibited Sexual Conduct to seek support from professional resources, either on- or off-campus. University staff responding to prohibited conduct will provide written notification about on- and off-campus resources to persons reporting incidents of Prohibited Sexual Conduct. For a list of resources, see the "Resources" section on page 52, or see the resources listed at [sexualviolencesupport.stanford.edu](https://sexualviolencesupport.stanford.edu) and [wellness.stanford.edu](https://wellness.stanford.edu). When determining which resource to consult, be aware that some university staff, including faculty and residence staff, are obligated to report acts of Prohibited Sexual Conduct to the university and/or local police. There are confidential resources on- and off-campus to help individuals decide their next steps.

Individuals who wish to report a concern to the university may contact the Title IX Coordinator ([titleix@stanford.edu](mailto:titleix@stanford.edu)) or seek assistance from resources not listed as confidential. These staff will protect your privacy by limiting the people with whom they share what is told to them, to the extent permitted by law.

<sup>12</sup> This section is excerpted from the Campus Sexual Assault Memorandum of Understanding 2016 - District Attorney, Universities and Community Colleges, and Law Enforcement of Santa Clara County.

## Collect & Preserve Evidence / Obtain a SAFE Exam<sup>13</sup>

Individuals who have experienced a sexual assault are encouraged to have a Sexual Assault Forensic Exam (SAFE) performed by a trained medical professional, as soon as possible, after the assault. The medical professional will address an individual's medical needs related to the assault as well as collect evidence in accordance with established protocols. In order to preserve evidence, individuals are advised not to shower, wash, wipe, change clothes, or brush their teeth prior to the exam, if possible. An exam is still recommended even if one or more of these actions have been performed.

Individuals who are uncertain about whether they want to pursue criminal or other remedies are encouraged to obtain a SAFE exam because participating in the exam allows for the collection and preservation of evidence that might be useful should individuals decide they want to pursue any type of action at a later date. In Santa Clara County, SAFE exams are performed at Stanford Hospital, through the Emergency Department, or at the Santa Clara Valley Medical Center (SCVMC) in San Jose. SAFE exams will be performed at no cost to a victim of sexual assault. A victim does not need to file a police report in order to obtain a SAFE exam. By law, hospitals are required to notify the police if a person reports having been sexually assaulted or the victim of any crime in which a physical injury has been sustained.<sup>14</sup> Hospitals will notify the police agency that has jurisdictional responsibility where the assault took place. Victims have the option to speak with the police or not. The ability to have a SAFE exam performed is not dependent upon speaking with the police or filing a police report. If a victim needs transportation assistance, a university staff person will assist with arrangements.

To collect and preserve evidence of Prohibited Sexual Conduct other than sexual assault, photograph injuries; retain emails, text messages, and phone records; and maintain a journal or other means to document incidents.

<sup>13</sup> A Sexual Assault Forensic Exam may also be referred to as a medical-legal exam, a SART (Sexual Assault Response Team) exam, or a Sexual Assault Nurse Exam (SANE).

See pages 12-23 for more information about reporting obligations and information that is required to be reported to law enforcement.

## REPORTING TO THE POLICE

Sexual assault, violence in any form, violation of a court order, and stalking (as defined by the Penal Code) are crimes. The Department of Public Safety encourages an individual who has been subjected to Prohibited Sexual Conduct, especially criminal misconduct, to report the incident to the police department of jurisdiction where the incident occurred.

The university will assist victims in reporting incidents of criminal Prohibited Sexual Conduct to the local law enforcement agency, if the victim chooses to report the matter to the police. A person who has been subjected to Prohibited Sexual Conduct is not obligated to report to the police and may choose not to file a report with the police.

The Stanford University Department of Public Safety (SUDPS) is a multi-service agency providing law enforcement, security, safety, crime prevention, and emergency services on the main campus. If you have an emergency, call 9-1-1, or 9-9-1-1 from a campus telephone. During normal business hours, the department can be reached at 650-723-9633. After hours, the non-emergency phone number is 650-329-2413. Tell the dispatcher that you need to speak to the Watch Commander for a personal matter.

If you have been sexually assaulted and are uncertain about whether you want to report the crime for purposes of criminal prosecution, you may discuss the process and ask questions over the phone with a SUDPS deputy without providing personally identifying information about yourself or the alleged perpetrator. If the crime occurred in the university's Clery geography,<sup>19</sup> this discussion may result in the crime being counted for purposes of a Clery statistical report but does not constitute the filing of a police report for the purposes of investigation and prosecution.

If a victim would like support in filing a police report for a crime that occurred in a different jurisdiction, SUDPS will assist to the extent possible. SUDPS submits investigative reports for crimes that occurred on the main campus to the Santa

<sup>19</sup> See pages 94-95 for definitions of geographic categories for which crime statistics must be recorded under the Clery Act.

Clara County District Attorney's Office, which is responsible for prosecution. Information about the criminal investigations process is on page 55.

### Victims' Rights

The California Constitution confers certain rights to victims of crime in the state (*Marsy's Law, California Constitution article I, § 28, section (b)*). Examples of these rights include, but are not limited to:

**Fairness and Respect-** To be treated with fairness and respect for one's privacy and dignity, and to be free from intimidation, harassment, and abuse throughout the criminal or juvenile justice process.

**Protection from the Defendant-** To be reasonably protected from the defendant and persons acting on behalf of the defendant.

**Prevention of Disclosure of Confidential Information-** To prevent the disclosure of confidential information or records to the defendant, the defendant's attorney, or any other person acting on behalf of the defendant, which could be used to locate or harass the victim or the victim's family or which disclose confidential communications made in the course of medical or counseling treatment, or which are otherwise privileged or confidential by law.

**To refuse an interview,** deposition, or discovery request by the defendant, the defendant's attorney, or any person acting on behalf of the defendant, and to set reasonable conditions on the conduct of any such interview to which the victim consents.

For a full list of these rights as well as victim resources for many different types of crime, refer to [sccgov.org/sites/da/VictimServices/VSU/Pages/default.aspx](https://sccgov.org/sites/da/VictimServices/VSU/Pages/default.aspx).

Other states have passed similar legislation providing rights for victims of crime. Also refer to page 60 for additional information of written rights and resources provided to Impacted Parties and other participants in administrative or criminal investigations. Each investigation will require its own course of action.

## POLICE / CRIMINAL INVESTIGATION

In general, when a person reports Prohibited Sexual Conduct to a police department, an on-duty deputy or police officer will obtain a preliminary statement from the victim in order to ascertain the type of crime that occurred.

If the crime is a sexual assault and the assault occurred within 72-96 hours of the report being made to the police, the officer or deputy will offer the victim the opportunity to participate in a SAFE<sup>20</sup> exam to collect and preserve evidence (see section on page 51). This exam is performed at a hospital and will be administered by a trained health care professional. SAFE exams are comprehensive and can take several hours to perform. The medical practitioner will explain each step of the process to the victim. Police officers are not present in the exam room during the exam. The police can drive a victim to and from the hospital for the SAFE exam if transportation is needed.

Due to the length of time required to complete a SAFE exam, most victims will want to go home or to a place that feels safe after the exam. To support the victim's wishes, the in-depth investigatory interview, to be conducted by a deputy with trauma-informed interview training, will be scheduled for a later date and time. Some victims choose to provide a more in-depth statement immediately after the SAFE exam and some prefer to give an in-depth statement before the exam. Police will adjust the interview schedule according to the victim's level of comfort and expressed preferences. In order to conduct a thorough and comprehensive investigation, multiple interviews may need to take place.

Additionally, Stanford and the County of Santa Clara have entered into a memorandum of understanding to support victims of sexual violence and to provide mutual cooperation. If a victim prefers, a joint interview with SUDPS and Title IX can be arranged. At the conclusion of the investigation, reports that occur within the jurisdiction of the SUDPS will be forwarded to the Santa Clara County District Attorney's Office for review. The

District Attorney's Office determines if criminal charges will be filed.

### Advocates

Advocates, also referred to as sexual assault counselors, have one sole purpose: to support the victim of a sexual assault (or act of domestic violence) throughout the criminal justice process to the extent desired by the victim including during investigative interviews with the police, SAFE exams, and court proceedings. For cases being investigated by Stanford DPS or when a SAFE exam is performed in Santa Clara County, the YWCA Silicon Valley Rape Crisis Department provides the sexual assault counselor. YWCA advocates can also provide support to victims engaged in a Title IX or SHARE Title IX Hearing or Investigation.

There are a number of statutory provisions related to the presence of an advocate to support victims of sexual assault. Pursuant to California Penal Code §264.2, a law enforcement officer shall immediately notify the local rape victim counseling center, whenever a victim of an alleged violation of a sexual assault is transported to a hospital for any medical evidentiary or physical examination. The victim has the right to have a sexual assault counselor, and a support person of the victim's choosing, present at any medical evidentiary or physical examination. (The support person may be excluded from a medical evidentiary or physical examination if the law enforcement officer or medical provider determines that the presence of that individual would be detrimental to the purpose of the examination.) Pursuant to Penal Code §680.2, a law enforcement officer or medical provider shall notify a victim of the right to have a sexual assault counselor and at least one other support person of the victim's choosing present at any initial medical evidentiary examination, physical examination, or investigative interview arising out of a sexual assault, and that a sexual assault counselor can be contacted 24 hours a day.

Evidence Code §1035.4 outlines the confidentiality of communication between a victim and a sexual assault counselor in the course of their relationship; the disclosure of confidential information may be compelled by a court when relevant to a legal proceeding.

<sup>20</sup> Also referred to as a medical-legal exam, SART exam, or SANE exam.

## PRIVACY AND CONFIDENTIALITY

The university will make reasonable and appropriate efforts to preserve an individual's privacy and protect the confidentiality of information. Because of laws relating to reporting and other state and federal laws, the university cannot guarantee confidentiality to those who report incidents of Prohibited Sexual Conduct except where those reports are privileged communications with those in legally protected roles (see resources on page 52).

In this context, privacy means that information related to a complaint will be shared with only a limited number of University employees who “need to know” in order to assist in the assessment, investigation, and resolution of the report. All employees who are responsible for the University's response to Prohibited Sexual Conduct receive specific training and guidance about sharing and safeguarding private information in accordance with state and federal law. The privacy of student education records will be protected in accordance with the Family Educational Rights and Privacy Act (“FERPA”), and the privacy of employee records will be protected in accordance with California law and University policy.

Confidentiality exists in the context of laws that protect certain relationships, including those who provide services related to medical and clinical care, mental health providers, counselors, and ordained clergy. The law creates a privilege between certain health care providers, mental health care providers, attorneys, clergy, spouses, and others, with their patients, clients, parishioners, and spouses. The University has designated individuals who have the ability to have privileged communications as Confidential Resources.

The University has an obligation to evaluate, and sometimes investigate, reports of Prohibited Sexual Conduct made to non-confidential resources. If a victim requests confidentiality, the university's ability to respond may be limited, including pursuing discipline against the accused; although, where feasible, the University will take reasonable steps to prevent Prohibited Sexual Conduct and limit its effects. It is not always possible to provide confidentiality depending on the seriousness of the allegation and other factors, which will be weighed by the university in conjunction with other factors. These factors include circumstances that suggest an increased risk of the accused committing additional acts of sexual violence or other violence, whether the sexual violence was perpetrated with a weapon or with extreme force, the age of the student, and the ability of the university to obtain evidence by other means. The university takes seriously requests for confidentiality, while at the same time considering its responsibility to provide a safe and nondiscriminatory environment for all students and the University community.

During university investigations, the identities of impacted parties and witnesses are generally shared with the accused. Should a Complainant make a request that the University not disclose the Complainant's identity to the Respondent, the Title IX Coordinator will inform the Complainant that the University's ability to respond to the allegations and investigate may therefore be limited if the request is granted. A Complainant who initially requests Confidentiality is not prohibited from later requesting that the University conduct a full investigation.

Exceptions to maintaining confidentiality are set by law; for example, physicians and nurses who treat any physical injury sustained during a sexual assault are required to report it to law enforcement. Also, physicians, nurses, psychologists, psychiatrists, teachers, and social workers must report a sexual assault committed against a minor.

Except for Confidential Resources, information shared with other individuals is not legally protected from being disclosed. However, the University takes requests for privacy and confidentiality seriously, to the extent it can do so while at the same time fulfilling its responsibility to provide a safe and nondiscriminatory environment for all students and the University community. The University in such circumstances will make sure the Complainant is aware he/she/they are protected from retaliation.

In California, per Penal Code § 293(a), a police officer is required to ask a victim of certain specified crimes, including some forms of sexual assault and domestic violence, if the victim wants their name to remain confidential. If a victim elects to have their name remain confidential, the police will not list the victim's name in a crime log or release it to university officials without the victim's permission (Penal Code § 293(d)). If the District Attorney elects to prosecute a sexual assault, the name of an adult victim may be subject to disclosure.

A victim or impacted party's personally identifiable information will not be included in publicly available documentation required by the Clery Act, such as the crime log.

## UNIVERSITY TITLE IX INVESTIGATION AND HEARING

### OVERVIEW

All students, faculty, staff, postdoctoral scholars affiliates and others participating in University programs and activities in the United States are subject to this Title IX Procedure. This Procedure applies to conduct occurring on or after August 14, 2020.

The university's first priority is to ensure a victim's immediate safety and the safety of the community. If a victim needs medical attention or if there is an imminent threat to the victim or others, call 9-1-1 (or 9-9-1-1 from a campus phone).

Tending to a victim's physical and emotional well-being is the next priority. University staff should encourage a victim to seek support from professional resources either on- or off-campus and provide a written list of resources. See pages 52-53 for a detailed list of on- and off-campus resources.

When a report of Prohibited Sexual Conduct is made to a non-confidential university resource, the university resource will promptly notify the Title IX Coordinator. If the person receiving the report is a Campus Security Authority and the crime being reported is a sexual assault, another violent crime, a hate crime, or an attempt of any of the preceding crimes, then the CSA must, as soon as practically possible, notify local law enforcement in the jurisdiction where the crime took place. For more information about CSA obligations, refer to pages 17-23.<sup>21</sup>

Reports of Prohibited Sexual Conduct should be submitted in person, on the phone, or via email to the Title IX Coordinator / SHARE Director:

**Catherine Glaze (Interim)**

Kingscote Gardens (2nd Floor), 419 Lagunita Dr.  
Stanford, CA 94305

(650) 487-4955 or [titleix@stanford.edu](mailto:titleix@stanford.edu)

<sup>21</sup> A victim may elect to have their identity withheld from the required notification to the police. If the victim wishes to remain anonymous to the police, the name of the alleged assailant shall also be withheld, per CA Education Code § 67380(6)(A).

The Title IX Coordinator or their delegate within the SHARE Office will offer supportive measures, such as modifications to housing, academic, or work assignments. The Title IX Coordinator or their delegate is responsible for effective implementation of supportive measures. Consultation with other departments – such as the Office of the General Counsel, Student Affairs, and Human Resources– may occur. The parties will be provided with written rights and options when Prohibited Sexual Conduct is reported.

Per federal law, the university has an obligation to assess all reports of Prohibited Sexual Conduct and redress the effects. Reports of Prohibited Sexual Conduct will be formally investigated by the university (subject to the balancing test described in the section “Confidentiality of Information” on page 57).

In all instances, consideration will be given to respecting the privacy of persons and information. At the investigation phase, information will only be shared with a limited, need-to-know, group of personnel who have responsibilities for managing the situation. The victim's wishes will be considered when implementing interim supportive measures. If the circumstances indicate that there is a threat to others in the community, the university may opt to undertake a University proceeding even if the victim declines to participate. The University's ability to impose discipline (on-going sanctions) may be limited if a victim elects to not participate in the university's disciplinary process. After an alleged act of Prohibited Sexual Conduct, if requested by the victim and reasonably available, the university will provide supportive measures, and dependent upon the outcome of the investigation, ongoing accommodations that can include changes to academic and living situations.

Victims of Prohibited Sexual Conduct or those who have been threatened with harm may be entitled to court-ordered protection against the person who committed or threatened harm. Beyond court ordered options, the university might also issue a “No Contact” or similar directive as an interim measure prior to an investigation or as an ongoing accommodation. Following a determination of responsibility, the university may also issue a Stay Away Letter prohibiting a person from coming onto Stanford's private property enforced under trespass laws. Refer to the Court Issued Protective/ Restraining Orders & University No Contact/Stay Away Letters section on pages 88-89 for more information.

## PROCEDURE

*The following summary does not include all the detailed provisions of the Title IX Investigation and Hearing Procedure. The full document is available at [stanford.app.box.com/s/nttlpzno14y4nfwivgwap5gy7gzy4t6t](https://stanford.app.box.com/s/nttlpzno14y4nfwivgwap5gy7gzy4t6t)*

### Receipt of Report

Upon receipt of notice of an Initial Report of Title IX Prohibited Conduct (which may come from any individual), the Title IX Coordinator or Deputy Title IX Coordinator (or their designee) will promptly contact the Complainant and inform the Complainant:

- of the availability of Supportive Measures, including that the Supportive Measures are available with or without filing a Formal Complaint;
- of the availability of confidential counseling resources both on and off campus;
- how to file a Formal Complaint;
- that, if the reported conduct could be a crime, the Complainant has the right but not the obligation to file a police report, and that if there is a police investigation, the Title IX Coordinator will coordinate with law enforcement; and
- of the importance of preserving evidence and identification and location of Witnesses.

If on the face of the Initial Report, the Title IX Coordinator determines that the conduct alleged does not fall within the scope of Title IX, the Title IX Coordinator may also inform the Complainant that the matter may be referred to another University process. Even if the matter is referred, the Complainant will still receive an offer of Supportive Measures.

Supportive Measures will be different for every matter and will be based on individualized review. Stanford offers confidential counseling to community members, through the Confidential Support Team for students, and through the Faculty/Staff HELP Center for others. The University will maintain as Private any Supportive Measures provided to the Complainant or Respondent, to the extent that maintaining such confidentiality would not impair the ability of the University to provide the Supportive Measures.

The Title IX Coordinator or Deputy Title IX Coordinator is responsible for coordinating the effective implementation of Supportive Measures. The Title IX Coordinator or Deputy Title IX Coordinator will consider the Complainant's wishes with respect to Supportive Measures.

Based on an Initial Report or Formal Complaint of Title IX Prohibited Conduct, the Title IX Coordinator, in consultation with the Threat Assessment Team or others as appropriate, may undertake an individualized safety and risk analysis to determine whether the allegations indicate the Respondent poses an immediate threat to the physical health or safety of any student or other individual arising from the allegations of Title IX Prohibited Conduct. If the University determines removal is appropriate, the Respondent will be provided with notice and an opportunity to challenge the decision immediately following the removal. The University may place a non-student Respondent on administrative leave after notice of a report of Title IX Prohibited Conduct and during the pendency of resolution of the matter.

### The Formal Complaint

A Complainant may complete and sign a Formal Complaint alleging Title IX Prohibited Conduct against a Respondent and requesting that the University Investigate the allegation of Title IX Prohibited Conduct.

At the time of filing a Formal Complaint, a Complainant must be participating in or attempting to participate in one of the University's Programs or Activities. Attempting to participate includes circumstances where the Complainant has taken a leave of absence or has otherwise discontinued participation in University Programs or Activities, but intends to return to their University affiliation.

The Title IX Coordinator will determine whether to proceed with the formal complaint. A Complainant may request that the University not proceed with an Investigation or further resolution under this Procedure. A Complainant's wishes with respect to whether the University Investigates will be respected unless the Title IX Coordinator determines that signing a Formal Complaint over the wishes of the Complainant is not clearly unreasonable in light of the known circumstances. The Title IX Coordinator will inform

## *Prohibited Sexual Conduct*

the Complainant that due to various federal and state laws and/or in order to protect the safety of the campus community some circumstances require the University to move forward with an Investigation, even if the Complainant requests otherwise.

The University's decision is subject to a balancing test that requires the University to consider a range of factors, including:

- The status of the Respondent and whether the Respondent has authority over students and/or staff.
- Whether there have been multiple reports of Title IX Prohibited Conduct (or other violations of Administrative Guide section 1.7.1) relating to a single Respondent;
- The seriousness of the alleged Title IX Prohibited Conduct (e.g., whether the alleged conduct involved a weapon, physical restraints or battery);
- Whether there is a likelihood that the Respondent would be a danger to the Complainant or the Stanford community;
- The age of the Complainant;
- Whether the report of Title IX Prohibited Conduct can be effectively addressed through another type of intervention; and
- The ability of the University to obtain relevant evidence.

Upon receipt of a Formal Complaint, the University will provide a Notice of Formal Complaint to the Parties for whom the University knows their identity, including the following details:

- A description of the University's Title IX Procedure, including any Informal Resolution process.
- A description of the allegations including sufficient details known at the time such as:
- the identities of the Parties involved in the incident;
- the conduct allegedly constituting Title IX Prohibited Conduct; and
- the date and location of the alleged incident.
- A statement that the Respondent is presumed

not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of a Hearing.

- A statement that the Parties may have an advisor of their choice, who may be, but is not required to be, an attorney, and may inspect and review evidence as described herein.

The Notice of Formal Complaint will be provided with sufficient time to respond and prepare for any investigative interviews. Once a Notice of Formal Complaint is issued, a Respondent student's ability to receive a degree is placed on hold.

After receiving Notice of Formal Complaint, both the Complainant and the Respondent will be asked to identify any academic, employment, or other significant conflicts that would affect the timing of the Investigation and potential Hearing. The Hearing Coordinator will consider this input in finalizing any Hearing Schedule.

An ongoing notice may be required if the scope of investigation changes. If, in the course of an Investigation, the University decides to investigate allegations about the Complainant or Respondent that are not included in the initial Notice of Formal Complaint provided, the University will provide notice of the additional allegations to the Parties whose identities are known.

### **Rights and Responsibilities of Parties and Witnesses**

During an Investigation and Hearing under this Title IX Procedure, the Parties and Witnesses have the following responsibilities.

1. The responsibility to be truthful, to cooperate with the process, and to follow the directions of University staff and agents responsible for administering this process;
2. The responsibility not to Retaliate against or Intimidate (see page 68) any individual who has reported Title IX Prohibited Conduct or who has participated as a Party or Witness in the process; and
3. The responsibility to keep private (by not disseminating beyond Support Persons) documents, materials, and information received from the

University during this process; and

4. The responsibility to destroy, when so directed by the University, evidentiary materials and/or writings submitted by the other Party as part of the process.

During an Investigation and Hearing under this Title IX Procedure, the Parties and Witnesses have the following rights.

1. The right to be protected from Retaliation and Intimidation where one has reported Title IX Prohibited Conduct or participated as a Party or Witness in the process;
2. The right to exercise First Amendment rights and not be subject to investigation for Retaliation for the exercise of such rights;
3. The right to receive information regarding consequences for knowingly making false statements or knowingly submitting false information during the Title IX Procedure under the Code of Conduct and/or Fundamental Standard;
4. The right to take breaks during cross-examination at a Hearing, as needed and as permitted by the Hearing Officer.

Student Complainants and Respondents maintain the right to six hours of consultation time with a University-Identified Attorney, at no cost to the student Party, at any time after a Notice of Formal Complaint is issued and prior to a matter being set for Hearing (plus additional hours as defined on page 63).

Student parties and witnesses maintain the right not to be disciplined for drug and alcohol violations (relating to voluntary ingestion) or similar Fundamental Standard offenses in connection with the reported incident that do not place the health or safety of any other person at risk.

During an Investigation and Hearing under this Title IX Procedure, all parties have the following rights.

1. The right to be treated equitably and receive the same equitable access to Supportive Measures;
2. The right to have each phase of the Title IX

Procedure completed within a reasonably prompt timeframe;

3. The right to a Process Support Person to support and/or advise the Party;
4. The right to receive a Notice of Formal Complaint that provides sufficient detail about the allegations and the applicable University policies for the Respondent to be able to respond and for both Parties to understand the scope of the Investigation;
5. The right to decline to give a statement about the allegations or attend a Hearing;
6. The right to participate in the Investigation, including by identifying fact Witnesses and Expert Witnesses and identifying and/or providing inculpatory, exculpatory and other relevant information and evidence to the Investigator;
7. The right to receive and appeal any Notice of Dismissal;
8. The right to review all evidence directly related to the allegations, in electronic format or hard copy, with at least 10 days for the Parties to inspect, review, and respond.
9. The right to receive an Investigative Report that fairly summarizes relevant evidence, in electronic format or hard copy, with at least 10 days for the Parties to respond;
10. For all Complainants and Respondents, the right to up to three hours of consultation time with a University-Identified Attorney for pre-Hearing preparation after a matter has been set for Hearing, plus actual time required for the Hearing, plus up to two additional hours for any Appeal, at no cost to the Party. For student Complainants and Respondents, this time is in addition to the pre-Hearing consultation time
11. The right to have the matter heard at a live Hearing by a neutral Hearing Officer who will determine the matter using a Preponderance of the Evidence standard and who will not prejudge the outcome of a case;
12. The right to a Hearing Support Person who will conduct oral cross-examination at the live Hearing

## *Prohibited Sexual Conduct*

on behalf of the Party;

13. The right to jointly agree with the other Party to waive cross-examination through the Hearing Support Persons and instead submit written cross-examination questions to the Hearing Officer to conduct the examination.
14. The right to receive a Written Determination Regarding Responsibility (if any);
15. The right to appeal the Written Determination Regarding Responsibility to a neutral Appeal Officer; and
16. The right to receive a Notice of Outcome of Appeal.

In a circumstance in which the complainant is deceased, the next of kin shall receive written notification of the outcome of the investigation and hearing process.

The Respondent has the right not to have any disciplinary Sanctions imposed before a finding of responsibility in accordance with this Title IX Procedure and the right to be presumed not responsible for the alleged Title IX Prohibited Conduct until a determination regarding responsibility is made at the conclusion of the Hearing.

The Title IX Coordinator shall make an initial assessment as to whether a Formal Complaint submitted by a Complainant contains sufficient allegations on its face to describe an act of Title IX Prohibited Conduct covered by this Title IX Procedure. If it does not, the University may seek new or additional information from the Complainant, and may inform the Complainant about other University procedures that may be more applicable to the alleged conduct.

### **Informal Resolution**

At any time after a Formal Complaint is filed, the Title IX Coordinator or Deputy Title IX Coordinator may, in their discretion, choose to offer and facilitate an Informal Resolution process, so long as both Parties give voluntary, informed, written consent to attempt Informal Resolution. The University may not require the Parties to participate in an Informal Resolution process or require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, and

election to participate in an Informal Resolution does not constitute a waiver of the right to reinstate a formal Investigation and adjudication of Formal Complaints of Title IX Prohibited Conduct. Upon agreement to an Informal Resolution by the parties and the university, an Information Resolution is a final outcome of the matter and is not subject to appeal. Any person who facilitates an Informal Resolution will be experienced and trained in dispute resolution and trained on this Title IX Procedure.

At any time prior to agreeing to an Informal Resolution, any Party has the right to withdraw from the Informal Resolution process and resume the process with respect to the Formal Complaint.

No Informal Resolution process will be offered before a Formal Complaint is filed. No Informal Resolution process will be offered to resolve Formal Complaints involving a student as Complainant and a staff or faculty member as Respondent. For any allegations in any Formal Complaint not subject to dismissal under this Title IX Procedure, the matter will proceed to an Investigation. The formal Investigation phase is the period during which the Investigator gathers information about the allegations. This period of time is the Parties' opportunity to provide input regarding the collection of evidence, but the burden of gathering evidence and the burden of proof is on the University. The University may, in its discretion, consolidate the Investigation of multiple Formal Complaints where the allegations arise out of the same facts.

## Process Support Person

The Process Support Person serves as an advisor to the Party and may assist a Party on written submissions provided they are verified by the Party. The Process Support Person does not speak or advocate on behalf of the Party in University proceedings, except in the case of university provided attorneys, as described below. Any Process Support Person who violates these expectations may not be permitted to participate further in the process or as a Hearing Support Person. Only one Process Support Person will be allowed to accompany a Party to meetings with Investigators (including meetings that occur using technology, such as Zoom).

The University has identified local attorneys who are available to provide student Parties with up to six hours of consultation time once a Notice of Formal Complaint is issued and prior to a matter being set for Hearing. The consultation services of the University- Identified Attorneys are intended to provide student Parties the opportunity to discuss legal issues related to the Formal Complaint and assist with the Investigation phase and any Informal Resolutions offered prior to a Hearing. Student Parties are not obligated to use this resource or to follow any guidance provided by an attorney.

Stanford will directly pay for up to six hours of consultation for student Parties prior to a matter being set for Hearing; student Parties will not be billed for this time. The student Parties will be informed of this resource, and the Title IX Office will provide a list of the University-Identified Attorneys available for consultation services for student Parties upon request. The student Parties are responsible for selecting their own University-Identified Attorney from this list.

A student Party may elect to use this resource at any time after a Notice of Formal Complaint is issued, and the six hours of pre-Hearing consultation will be in addition to any services provided by a University-Identified Attorney as a Hearing Support Person.

While student Parties are not required to use a University-Identified Attorney and are otherwise permitted to engage another attorney, the University will not reimburse student Parties for such services or for any hours that exceed the allotted times for University-Identified Attorneys.

In the event a matter proceeds to a Hearing, University-Identified Attorneys will be made available to all Parties (students, faculty, staff, and postdoctoral scholars) for up to three hours of assistance with the pre-Hearing stage, plus time for the actual Hearing, plus up to two hours for any appeals. The University-Identified Attorney will provide guidance around Hearing preparation, conduct cross-examination during a Hearing, and may provide assistance during an appeal period or with any Informal Resolutions that are offered after a matter has been set for Hearing. Parties are not obligated to use this resource or to follow any guidance provided by an attorney. Attorneys owe a duty of loyalty to their Party clients, not to the University. The services provided by these attorneys are for the purpose of the resolution of the matter under this process only.

## INVESTIGATION

The Title IX Coordinator or Deputy Title IX Coordinator will designate an individual to conduct the Investigation of a Formal Complaint.

The University will send the Parties advance written notice of any investigative interviews, meetings, or Hearings at which the Party is expected to be present.

The Investigator may gather information in multiple ways. The Investigator may collect relevant documents and other information and may also interview Parties and/or Witnesses. In addition, a Complainant or Respondent may submit documentary information to the Investigator; submit a list of Witnesses to be interviewed by the Investigator; and/or request that the Investigator attempt to collect documents and other information that are not accessible to the requesting Party.

For purposes of this Title IX Procedure, the University will not access, consider, disclose, or otherwise use a Party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the Party, unless the University obtains that Party's voluntary, written consent to do so.

## *Prohibited Sexual Conduct*

Questions and evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove Affirmative Consent.

After the Investigator has concluded the collection of evidence, the Investigator will send the Parties and their Support Persons all evidence directly related to the allegations, in electronic format or hard copy, with at least ten (10) calendar days for the Parties to inspect, review, and respond to the evidence.

This is the opportunity for the Parties to identify New Evidence or Rebuttal Evidence. New Evidence is evidence that was not available earlier in the process, could not have been available based on reasonable and diligent inquiry, and is relevant to the matter. Rebuttal Evidence is evidence presented to contradict other evidence in the file, which could not have been reasonably anticipated by a Party to be relevant information at the time of the Investigation.

After the Investigator has received and considered the Parties' responses to the evidence, the Investigator will complete an Investigative Report that fairly summarizes the relevant evidence. The Title IX Coordinator will make the Investigative Report available to the Parties and their Support Persons in electronic format or hard copy, with at least ten (10) calendar days for the Parties to respond in writing to the Investigative Report. After the Title IX Coordinator has reviewed the Parties' responses to the Investigative Report, the Title IX Coordinator will make the determination whether to dismiss the Formal Complaint or proceed to a Hearing. After reviewing the investigative report and the parties' responses, the Title IX Coordinator will determine how to proceed.

The University must dismiss the Formal Complaint if after the Investigation it is determined by the Title IX Coordinator that the conduct alleged in the Formal Complaint does not constitute Title IX Prohibited Conduct or did not occur against a person in the United States.

Any conduct dismissed under this Title IX Procedure that could constitute a violation of Administrative Guide section 1.7.1 or any other University policy may be referred to another applicable University process. If the Formal Complaint alleges multiple claims that arise out of the same facts and circumstances, and the Title IX Coordinator determines that some conduct is covered under Title IX and some is not, all claims may proceed together to be resolved under this Title IX Procedure. If, however, the Title IX Coordinator determines some claims do not arise out of the same facts and circumstances, are not covered by Title IX, and could violate other University policy, that conduct will be dismissed and referred to another University process, and the Title IX Procedure will proceed with respect to the covered conduct only.

The university may exercise discretion in dismissing the Formal Complaint if the Respondent is no longer enrolled or employed by the University, specific circumstances prevent the University from gathering sufficient evidence to reach a determination, or the Complainant informs the Title IX Coordinator in writing that the Complainant desires to withdraw the Formal Complaint or allegations therein.

In the event of dismissal after the Investigation (mandatory or discretionary), the Title IX Coordinator may refer some or all of the matter for consideration under another applicable University policy or procedure, if any.

Upon dismissal, the University shall promptly send a Notice of Dismissal (mandatory or discretionary) and reason(s) for the dismissal simultaneously to the Parties. If the matter is being referred to another University procedure because it does not constitute Title IX Prohibited Conduct, but could violate other University policy, that information will be included in the notice as well.

The Parties may appeal a Notice of Dismissal. Each Party may submit a written appeal of up to 6,000 words in length, which will be shared with the other Party. The Parties must submit the appeal by the date determined by the Title IX Office, generally ten calendar days from the receipt of the Notice of Dismissal. The appeal is submitted to an External Sexual Harassment/Assault

Process Specialist and will be limited to the following grounds:

1. Were there any procedural irregularities that substantially affected the outcome of the matter to the detriment of the Complainant?
2. Was there any substantive new evidence that was not available at the time of the decision that could not have been available based on reasonable and diligent inquiry that would substantially affect the outcome of the decision?
3. Is the decision one that a reasonable person might have made?

Upon receipt of a Party's appeal, the Hearing Coordinator will share it with the other Party. Each Party may submit a response to the other Party's appeal (no more than 3,000 words). Each Party must submit this response by the date determined by the Hearing Coordinator, generally seven (7) calendar days after the other Party's appeal has been shared.

The Title IX Coordinator is permitted, but not required, to file a response to a Party's appeal to respond to concerns relating to procedural irregularities including the Investigation. The Title IX Coordinator may submit one response for each Party that files an appeal (that raises a procedural irregularity).

The Title IX Coordinator may offer an Informal Resolution for eligible matters at any time after a Formal Complaint is filed, including after the Investigation has concluded.

For any Formal Complaints not subject to Dismissal or Informal Resolution after Investigation, the matter will proceed to a Hearing. The Title IX Coordinator will notify both the Complainant and the Respondent in writing that the matter has been charged and referred to a Hearing Officer to decide the matter. The Hearing Coordinator will promptly set the Hearing based on the availability of the Parties and Witnesses.

## Pre-Hearing Process

The Hearing Coordinator (working with the Investigator) will create the initial Hearing File within seven (7) calendar days after the issuance of the Notice of Hearing. However, in more complex cases involving, for instance, multiple allegations and/or Witnesses, the creation of the Hearing File may take longer. Before the Hearing File is made available to the Parties, the Investigator/Hearing Coordinator will redact personally identifying information from the Hearing File, such as phone numbers, addresses, and medical information. The Investigator/Hearing Coordinator will also propose redactions of non-permissible and unrelated information in the Hearing File, and highlight those proposed redactions to the Parties. The Parties will receive electronic access to view the Hearing File and a log describing gathered materials that were not included in the Hearing File.

Expert Witnesses may be permitted only if the Hearing Officer needs special expertise in order to understand a technical matter, such as relevant forensic evidence; an understanding of that technical matter is likely to affect the Hearing Officer's finding; and/or there is not a more efficient method of obtaining the information necessary to resolve that technical matter. If allowed, an Expert Witness may be retained by a Party or by the Title IX Office. If an Expert Witness is retained by a Party, that Party will be responsible for any costs incurred, and the other Party will be allowed to respond to that Expert's written or oral testimony. If an Expert Witness is consulted by the Title IX Office and the expert's opinion or testimony is included in the Hearing File or offered to the Hearing Officer, the Parties will be allowed to respond to that Expert's written or oral testimony.

After reviewing the Hearing File, a Party is permitted to make a written request to have evidentiary concerns considered by the Hearing Officer, including any objections to proposed redactions in the Hearing File. Requests to review evidentiary concerns should include all evidentiary issues in one document, which should be no more than 1,500 words in length. The requests should be submitted to the Hearing Coordinator, who will forward all information from the Parties to the Hearing Officer. In order to consider evidentiary concerns to the Hearing File, the Hearing Officer will have access to all materials gathered by the Investigator during

## *Prohibited Sexual Conduct*

the Investigation. The Parties must submit the written request by the date set in the Hearing Schedule, generally five (5) calendar days after the date the Hearing File is made available to the Parties. The Title IX Coordinator is permitted, but not required, to submit responses to the Parties' evidentiary objections to the Hearing Officer. The Hearing Officer has the authority to make all evidentiary decisions relating to what information is relevant; that is, what information should be admitted at the Hearing.

During the Hearing, Parties, Support Persons, and Witnesses must comply with the evidentiary decisions that have been made by the Hearing Officer. Objections to the inclusion or exclusion of evidence cannot be the basis for appeal unless they were made through the Evidentiary Review process before the Hearing. The standard for review of evidentiary decisions on appeal will be whether the evidentiary decision was clearly erroneous and substantially affected the Hearing Officer's decision to the detriment of the appealing Party.

Each Party may submit a written statement of their position to the Hearing Coordinator that is no more than 1,500 words in length. This statement is each Party's opportunity to respond to the Hearing File and the charges made and to provide a statement to the Hearing Officer about what the Party believes the evidence shows. No attachments will be accepted; references to evidence should be made to material in the Hearing File. No New and/or Rebuttal Evidence may be submitted, and no information may be submitted that goes beyond the scope of the matter that is charged.

The Parties must submit this statement by the date set in the Hearing Schedule, but generally five (5) calendar days from the date the Hearing File is made available to the Parties.

The Hearing Coordinator, in consultation with the Investigator, will remove information from a position statement that goes beyond the scope of the charge.

Within seven (7) days of when the Notice of Hearing is issued, the Hearing Coordinator will reach out to all Parties, Witnesses, and the Hearing Officer to schedule key dates for the matter (Hearing Schedule). The Hearing Schedule will take into consideration the academic and other conflicts identified in response to the Written Notice of Formal Complaint. Unless an extension is

granted based on a showing of good cause, the Parties are obligated to follow the Hearing Schedule.

### **Hearings**

Hearings may be conducted with any or all Parties, Witnesses, and other participants appearing at the live Hearing virtually, with technology enabling participants simultaneously to see and hear each other, or with all Parties physically present in the same geographic location. The presumption will be that the Hearing will take place virtually, unless both Parties request otherwise or the University otherwise determines that an in-person Hearing is appropriate. If the Hearing takes place with all Parties physically present, the University will provide for the option for the Hearing to occur with the Parties located in separate rooms with technology enabling the Hearing Officer and Parties to simultaneously see and hear the Party or the Witness answering questions.

If a Party does not have a Hearing Support Person present at the Hearing, the University will provide without fee or charge to that Party, a Hearing Support Person of the University's choice, who may be, but is not required to be, an attorney, to conduct cross-examination on behalf of that Party. The Hearing Support Persons must at all times follow the instructions of the Hearing Officer, including abiding by all relevance and evidentiary determinations made. The Hearing Support Persons must conduct themselves in a professional and courteous manner.

The Hearing Officer will be a non-Stanford professional neutral decision-maker (such as a retired judge) experienced and trained in adjudicating matters of civil rights, sexual harassment and/or sexual violence and trained on this Title IX Procedure and on trauma-informed decision-making, as required by California law. The Hearing Officer will preside over the Hearing and will issue the Written Determination Regarding Responsibility.

The Hearing Officer will be identified to the Parties before the Hearing at least three days prior to the Hearing. No person who has a conflict of interest may serve as the Hearing Officer. A conflict of interest exists if the Hearing Officer has prior involvement in or knowledge of the allegations at issue in the case, has a personal relationship with one of the Parties or Witnesses, or has

some other source of bias. Either Party may assert, in writing, that a Hearing Officer has a conflict of interest.

At the Hearing, the Hearing Officer will permit each Party's Hearing Support Person to ask the other Party and any Witnesses all relevant questions and follow-up questions, including those challenging credibility. Such cross-examination at the Hearing must be conducted directly, orally, and in real time by the Party's Hearing Support Person of choice and never by a Party personally. The Parties may, however, jointly agree in advance to waive oral cross-examination and instead submit written cross-examination to the Hearing Officer to conduct the examination. Even if the Parties so agree, the Parties are still required to have a Hearing Support Person present at the Hearing. The Hearing Officer will ensure the Hearing Support Persons are conducting any live cross-examination in a professional and courteous manner. The Hearing Officer will not permit the Hearing Support Persons to badger or harass Witnesses or Parties.

Only relevant cross-examination and other questions may be asked of a Party or Witness. Before a Complainant, Respondent, or Witness answers a cross-examination or other question, the Hearing Officer must first determine whether the question is relevant and explain any decision to exclude a question. The Hearing Officer will prohibit any questions and evidence about the Complainant's sexual predisposition or prior sexual behavior as not relevant, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove Affirmative Consent.

If a Party or Witness does not submit to cross-examination at the live Hearing, the Hearing Officer must not rely on any statement of that Party or Witness in reaching a determination regarding responsibility. The Hearing Officer cannot draw an inference about the determination regarding responsibility based solely on a Party's or Witness's absence or refusal to answer cross-examination or other questions. The Investigator will be available to answer any questions from the Hearing Officer about the Investigation. The Hearing Officer may meet with the Parties and Witnesses for the purpose of making findings of fact. The Parties and Witnesses may

not speak to matters beyond the scope of the Hearing File. The Hearing Officer may ask questions of the Parties and/or Witnesses. Parties are permitted to listen to Witnesses as they are speaking to the Hearing Officer.

The Hearing Officer shall issue a Written Determination Regarding Responsibility, applying the Preponderance of the Evidence standard (as required by California law), which shall include:

1. Identification of the allegations potentially constituting Title IX Prohibited Conduct;
2. A description of the procedural steps taken from the receipt of the Formal Complaint through the determination, including any notifications to the Parties, interviews with Parties and Witnesses, site visits, methods used to gather other evidence, and Hearings held;
3. Findings of fact;
4. Conclusions about whether the alleged Title IX Prohibited Conduct occurred, applying the definitions in this Title IX Procedure to the facts;
5. The rationale for the result as to each allegation;
6. Any disciplinary Sanctions;
7. Whether Remedies or Supportive Measures will be provided to the Complainant; and
8. Information about how to file an appeal.

The Hearing Officer may ask the Parties to submit Sanctions statements at the conclusion of the Hearing. The Hearing Officer may also consult with University personnel regarding any Sanctions and Remedies appropriate to the specific Respondent and Complainant.

The Sanction determination will be provided to the Title IX Coordinator who will be responsible for implementing the Supportive Measures and/or Remedies, including the continuation of any Supportive Measures and/or any additional or on-going accommodations for both Parties. The Title IX Coordinator will cause the Written Determination Regarding Responsibility to be sent to both Parties simultaneously.

## *Prohibited Sexual Conduct*

The Sanction determination will be provided to the Title IX Coordinator who will be responsible for implementing the Supportive Measures and/or Remedies, including the continuation of any Supportive Measures and/or any additional or on-going accommodations for both Parties. The Title IX Coordinator will cause the Written Determination Regarding Responsibility to be sent to both Parties simultaneously. The Title IX Coordinator will provide copies of the Written Determination Regarding Responsibility and Sanctions and/or Remedies (if any) for the purpose of maintaining records as follows. For students, copies will be provided to the Office of Community Standards. For staff, copies will be provided to University Human Resources—Employee & Labor Relations. For faculty, copies will be provided to the Vice Provost for Faculty Affairs. For postdoctoral scholars and fellows, copies will be provided to the appropriate administrative manager.

The Hearing Officer must explain decisions on responsibility and Sanctions (if applicable) and Remedies with enough specificity for the Parties to be able to file meaningful appeals. The consideration of whether Remedies and Sanctions go into immediate effect or are held in abeyance pending appeal or some combination thereof, will be determined on a case-by-case basis by the Title IX Coordinator.

The Written Determination Regarding Responsibility becomes final if an appeal is not filed, the date on which an appeal would no longer be considered timely, or if an appeal is filed, on the date that the University provides the Parties with the written determination of the result of the appeal.

Each Party may submit a written appeal of up to 6,000 words in length, which will be shared with the other Party. The Parties must submit the appeal by the date determined by the Title IX Office, generally ten (10) calendar days from the receipt of the Written Determination Regarding Responsibility (if any). The grounds for appeal are limited to the following:

1. Were there any procedural irregularities that substantially affected the outcome of the matter to the detriment of the appealing Party?
2. Was there any substantive new evidence that was not available at the time of the decision or Hearing

and that could not have been available based on reasonable and diligent inquiry that would substantially affect the outcome of the decision?

3. Did the Title IX Coordinator, Investigator(s), or Hearing Officer have a conflict of interest or bias for or against Complainants or Respondents that affected the outcome of the matter?
4. For matters that proceeded to Sanctioning and imposition of Remedies, are the Sanction and/or Remedies ones that could have been issued by reasonable persons given the findings of the case?

Upon receipt of a Party's appeal, the Hearing Coordinator will share it with the other Party. Each Party may submit a response to the other Party's appeal (no more than 3,000 words). Each Party must submit this response by the date determined by the Hearing Coordinator, generally ten (10) calendar days after the other Party's appeal has been shared. The appealing Party will have access to the other Party's response to the appeal, but no further responses will be permitted. The Title IX Coordinator is permitted, but not required, to file a response to a Party's appeal to respond to concerns relating to procedural irregularities or bias in the Investigation and Hearing process. In matters involving staff Respondents, the Vice President for Human Resources is permitted, but not required, to file an appeal on the basis that the sanctions imposed by the Hearing Officer are not severe enough, even if the Complainant does not appeal on that basis.

The Appeal Officer will provide the Notice of Outcome of Appeal no later than ten (10) calendar days after receipt of all appeal documents. The Title IX Coordinator will cause the Notice of Outcome of Appeal to be sent to the Parties simultaneously. As needed, the Appeal Officer will consult with the Title IX Coordinator regarding the management of ongoing Remedies. The Appeal Officer may reject the appeal in whole or in part, issue a new decision regarding responsibility, issue new or revised Sanctions and Remedies, or refer the matter to a new Hearing Officer.

### **Retaliation and Intimidation**

It is a violation of Administrative Guide section 1.7.1 to Intimidate or Retaliate against any person making a complaint or responding to a complaint under this

Title IX Procedure or against any person participating in the Investigation of any such allegation under this Title IX Procedure (including being the Respondent or testifying as a Witness). No person may threaten, coerce, or discriminate against any individual for pursuing or exercising any right or privilege secured by Title IX, or because the individual has made a report or complaint, responded to a complaint, testified, assisted, or participated or refused to participate in any manner in an Investigation, proceeding, or Hearing related to this Title IX Procedure.

Retaliation includes, but is not limited to, adverse action related to employment, academic opportunities, participation in University programs or activities, or similar punitive action. Retaliation can be direct such as changing an employee's work location, pay or schedule, or for students, changing a grade or denying access to a program, or it can be indirect such as Intimidating, threatening, or harassing an employee or student who has raised a claim or participated as a witness in an investigation. Intimidation can be a form of Retaliation, and includes any threatening statement or conduct made with the intent to prevent or dissuade any Party or Witness from reporting or participating in the process.

All Parties to a concern and all persons participating in the Investigation of a concern are prohibited from engaging in actions intended to Retaliate or Intimidate directly or through Support Persons.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of an Investigation does not constitute Retaliation, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any Party made a materially false statement in bad faith. The exercise of rights protected under the First Amendment does not constitute Retaliation.

Reports of alleged violations of University Directives or Court Orders prior to a finding of responsibility either will be incorporated into the pending matter or referred separately to another University process. After a Respondent has been found responsible for Title IX Prohibited Conduct, if there is a new allegation that the Respondent has engaged in Retaliation, Intimidation, or violated a Court Order or University Directive relating to the matter, the Title IX Office will investigate the

allegation and determine whether to refer the matter to be handled through another University process.

## **Requests for Disability Accommodations**

Parties or Witnesses may request disability-related accommodations from the Title IX Office. Upon receipt of a request for a disability-related accommodation, the Title IX Office will coordinate a meeting with the Diversity and Access Office and the individual requesting the accommodation to explain the steps involved in the applicable Title IX process (e.g., attorney meetings, interview, document submissions, Hearing). If a participant requests accommodations, if needed, an Investigation under this Title IX Procedure may be delayed (or that person's participation postponed) until the participant requesting such accommodations has had their request evaluated and, as appropriate, until accommodations have been implemented.

The Diversity and Access Office will confirm with the participant their specific accommodation requests; the Diversity and Access Office may coordinate with other University offices, such as the Office of Accessible Education ("OAE") or Human Resources, to confirm existing accommodations.

If the participant is already registered with the OAE, the Diversity and Access Office will confirm their eligibility for accommodations. If the participant is not currently registered with the OAE, the Diversity and Access Office may request medical documentation from their treating healthcare provider to support the requested accommodation.

The Diversity and Access Office will inform the Title IX Office of the recommended accommodations and assist with coordination as needed, in addition to relevant offices such as OAE for students and Human Resources for staff.

In the circumstance that the Title IX Coordinator determines that the recommended accommodations create a fundamental alteration of the applicable review or Investigation process, the Title IX Coordinator will confer with the Diversity and Access Office to identify alternate accommodations, if any. The Title IX Coordinator will provide a written statement of the accommodations that will be provided in the process.

If a Party seeking an accommodation does not agree with

## *Prohibited Sexual Conduct*

the statement of accommodations, the Party may seek written review of the accommodations from the Director of the Diversity and Access Office or their designee. The request to review the accommodations must be made in writing. The Director of the Diversity and Access Office will review and respond to the request, generally within three (3) days. The accommodations recommended by the Director of the Diversity and Access Office are final unless there is a change of circumstance. A Party who continues to be dissatisfied with accommodations may raise the concern as procedural error at the conclusion of a Hearing.

### **REMEDIES**

Following a determination of responsibility under this Title IX Procedure that the Respondent engaged in Title IX Prohibited Conduct directed at the Complainant, Remedies are provided to a Complainant. Remedies must be designed to restore or preserve access to the University's educational Program or Activity. Remedies may include disciplinary Sanctions or other actions against a Respondent. They may include the same individualized services as those offered as Supportive Measures; however, Remedies need not be non-disciplinary or non-punitive and need not avoid burdening the Respondent.

The Hearing Officer may consult with the Title IX Coordinator or other appropriate University office in crafting Remedies. The Hearing Officer will decide on the Remedies as the Hearing Officer deems appropriate for the particular case.

The Hearing Officer should provide remedies that will remediate a hostile environment for the Complainant and/or provide safety protections for the Complainant or for Stanford community members.

Remedies relating to all Respondents could include the following restrictions:

- Directive not to contact (directly or indirectly) the Complainant
- Limiting or denying access to all or parts of campus
- Limiting or denying participation in campus programs or activities

- Limiting or denying the opportunity to hold leadership position.

Additionally, for student Respondents, remedies could include the following restrictions:

- Limiting or denying housing on campus or part of campus (e.g., not permitting Respondent to live near the Complainant)
- Requiring that the Respondent not enroll in a course that the Complainant is enrolled in or teaching
- Limiting or prohibiting attendance at campus parties or social events

Additionally, for faculty or teaching Respondents, remedies could include the following restrictions:

- Limiting or denying certain advising activities
- Limiting or denying certain teaching activities
- Limiting access to students in private spaces

Remedies for all Respondents could include the affirmative requirement for personalized education or coaching.

Additional Remedies for the Complainant will be directed by the Hearing Officer and/or Title IX Coordinator. Unless one of these Remedies affects the Respondent, these should remain confidential and should only be included in the Written Determination Regarding Responsibility for the Complainant.

- Academic or workplace accommodations
- Safety accommodations
- Other reasonable and appropriate accommodations

The Hearing Officer should indicate a time frame for the Remedies (noting that it might be appropriate for some Remedies to have different time frames e.g., no leadership position for two years and no housing for three years.) Restrictions should be put in place for a certain amount of time, to achieve the appropriate remedy. Generally, the remedy may be achieved in a number of months up to five years.

The Title IX Coordinator is responsible for effective implementation of any Remedies under this Title IX Procedure. Remedies may be modified by the Title IX Coordinator as circumstances change over the course of a Complainant's or Respondent's student or work career at Stanford. The request for reconsideration may be submitted to the Title IX Coordinator, and the basis for such reconsideration will be limited to whether, given the changed circumstances, the Remedies are ones that could have been issued by reasonable persons. Upon request by a Party to reconsider a remedy, which if granted would impact the other Party, the Title IX Coordinator will provide notice and an opportunity to respond to the other Party. The Title IX Coordinator's decision on reconsideration will be provided in writing and maintains jurisdiction over the Remedies as the Parties move through the University.

## SANCTIONS

Every violation of Administrative Guide section 1.7.1 is a serious matter and requires an appropriate Sanction issued after individualized review. A violation of Administrative Guide section 1.7.1 could lead to termination/separation from the University for faculty, staff, and postdoctoral fellows, as well as expulsion for students. The Hearing Officer must impose Sanctions that reflect the seriousness of the incident and the harm caused to the Complainant and, as relevant, the Stanford community.

The University offers the following guidance for disciplinary Sanctions for all policy violations under Administrative Guide section 1.7.1. The Hearing Officer may consult with the Title IX Coordinator or other appropriate University office in crafting Sanctions. The Hearing Officer will decide on the Sanctions as the Hearing Officer deems appropriate for the particular case.

### Most Serious Offenses, Termination/Expulsion

While any violation under Administrative Guide section 1.7.1 is of concern and while any violation may lead to separation/termination or expulsion depending on the individual circumstances of the case, the University

considers the following offenses to be particularly egregious and likely warrant separation/termination or expulsion unless there are significant mitigating circumstances that overcome the presumption:

1. Rape, Sodomy, Sexual Assault with an Object including an aggravating factor
2. Domestic or Dating Violence with a serious injury
3. Any violation including two or more aggravating factors

While any violation is of concern, the University considers the following factors to be aggravating factors that warrant increased Sanctions:

- The act is accomplished by Force, Violence, Duress, or Menace
- Inducing Incapacitation through involuntary ingestion or knowingly taking advantage of an Incapacitated person
- Past violations of University policy by the Respondent relating to Sexual Harassment and Prohibited Sexual Conduct as defined in Administrative Guide section 1.7.1 (or prior policies)
- More than one perpetrator
- More than one Complainant or person experiencing the alleged conduct by the same Respondent
- Acts committed in the context of an initiation into membership and/or hazing
- Knowingly using the Respondent's power/authority within the University to obtain submission or to accomplish the violation
- Dishonesty during the investigation

There are also mitigating factors that may be weighed in the determination of sanctions:

- The Respondent did not have an intent to violate University policy
- The Respondent has taken responsibility for their actions
- Other considerations that a reasonable Hearing Officer would rely on

## *Prohibited Sexual Conduct*

### **Other Sanctions**

Following a determination that termination/expulsion is not appropriate, a Hearing Officer may consider other Sanctions. The offenses listed in administrative Guide 1.7.1 are extremely serious, and (in instances in which termination/expulsion is not warranted) for student and faculty Respondents, separation from the University for some period of time is expected.

A Hearing Officer should consider the aggravating factors listed on page 71, when imposing Sanctions. When one or more aggravating factors are present, the Hearing Officer should impose a Sanction that includes a reflection of the seriousness of the aggravating factor(s).

Aside from expulsion, other Sanctions for students could include the following:

- Suspension from the University for a period of between one – twelve quarters (that is, up to three academic years).
- Delay in the conferral of degree for a period of between one – twelve quarters (that is, up to three academic years) – this Sanction is only available for students in their final quarter at Stanford.
- Probation with a Suspended Suspension period of one or two quarters – time away from the University is not immediately imposed but should the Respondent face any other disciplinary matter at Stanford that decision-making body would be informed in the Sanction phase that the student was on probation, would consider the probation as an aggravating factor in setting discipline, and would minimally impose the suspended suspension period as an actual suspension.
- Probation – Should the Respondent face any other disciplinary matter at Stanford that decision-making body would be informed in the Sanction phase that the student was on probation and would consider the probation as an aggravating factor in imposing discipline.
- Required personalized education or coaching.
- Community service hours. Beyond termination, other Sanctions for Faculty include the following:

- Suspension for a period of time.
- Denying a pay raise for a period of time.
- Denying the opportunity to hold committee or community roles, such as serving as a Resident Fellow or Department Chair.
- Denying the opportunity for promotion.
- Letter in personnel file.
- Public or private censure.
- Required personalized education or coaching.

Beyond termination, other Sanctions for Staff include the following:

- Suspension for a period of time.
- Denying a pay raise for a period of time.
- Denying the opportunity to hold committee or community roles, such as serving as a Resident Fellow or Department Manager.
- Denying the opportunity for promotion.
- Written warning in personnel file.
- Required personalized education or coaching.

# Stanford University

The University will strive to complete this Title IX Procedure as expeditiously as possible. Generally, the University will seek to complete a Hearing within approximately 120 days from the filing of a Formal Complaint. The Title IX regulations require that the Parties have two 10-day periods to review the evidence and respond to the Investigative Report, which necessarily extend the total time for resolution of a matter under

this Title IX Procedure beyond the 60-day guideline adopted under previous Title IX guidance. In addition, the 120-day time frame builds in time to account for unavoidable and reasonable delays, such as University breaks (when Parties and/or Witnesses may be unavailable) and extensions to the Parties granted for good cause, which may extend the total time for resolution. In any event, the University will not compromise a thorough and fair process in order to meet the 120-day guideline from the filing of a Formal Complaint to a Hearing outcome. If any Party chooses to appeal the Hearing outcome, the time frames below provide for an additional 30-day period to submit, respond to, and decide the appeal. If any deadline under the guidelines set forth below falls on a weekend or holiday, there will be an automatic extension to the next business day.

After receiving a Written Notice of Formal Complaint, both the Complainant and the Respondent will be asked to identify any academic, employment, or other significant conflicts that would affect the timing of the Investigation and potential. The Hearing Coordinator will consider this input in finalizing any Hearing Schedule.

Extensions are only granted for good cause. A request for an extension must be made, in writing and with reasons provided, to the Hearing Coordinator. The Hearing Coordinator will endeavor to respond to an extension request promptly, in writing, ideally within 24 hours.

## SHARE HEARING PROCEDURE

Given the jurisdictional limits of Title IX, Stanford deemed it imperative under both state law and under its own policies to provide this companion procedure to the Title IX Procedure to address allegations of violations of Administrative Guide 1.7.1 (sexual harassment, sexual assault, domestic or dating violence, stalking, inducing incapacitation, recording/distributing sexual activity, collectively “University Prohibited Sexual Conduct”) that do not meet the jurisdictional threshold under Title IX.

### OVERVIEW

For complaints involving students as Complainant or Respondent, the University will respond to a report under this Procedure, which may include conducting a formal investigation and hearing, if one or more of the following circumstances applies:

- the conduct happened on campus or in connection with a University program or activity;
- if, based on the allegations, there is any reason to believe that the incident could contribute to a hostile educational environment or otherwise interfere with a student’s access to education; OR
- the University has the ability to conduct a thorough investigation into the Policy Violation; AND
  - there are multiple complainants alleging serious sexual misconduct or past similar disciplinary matters; OR
  - the Policy Violation would constitute a serious crime, if true.

For all complaints not involving students as Complainants or Respondents, the University will respond to a report under this Procedure if:

- the University has the ability to conduct a thorough investigation into the Policy Violation; AND
- one or more of the following circumstances applies:
  - the conduct happened on campus or in connection with a University program or activity;

- a reasonable Complainant would suffer substantial harm if the alleged Policy Violation were not addressed;
- there are multiple complainants alleging serious sexual misconduct or past similar disciplinary matters; OR
- the Policy Violation would constitute a serious crime if true.

Supportive Measures are available to any person subject to Administrative Guide 1.7.1 who experiences University Prohibited Sexual Conduct, regardless of whether the above circumstances apply. Additional factors the University will consider in determining whether to undertake an Investigation are set forth below.

The University may voluntarily dismiss a matter if it no longer has jurisdiction over the Respondent.

Reporting conduct under Title IX will also qualify as a report under this SHARE Hearing Procedure (but a formal signed complaint is not required for this SHARE Hearing Procedure). For clarification, if the alleged Policy Violation is covered by Title IX, the University is legally required to address the alleged Policy Violation under that Title IX Procedure. This companion SHARE Hearing Procedure will apply if the conduct is not covered by Title IX. Reasons that conduct might not fall within Title IX include that the alleged Policy Violation:

- occurred before August 14, 2020;
- does not meet the definitions of Title IX Prohibited Conduct;
- did not occur against a person in the United States;
- did not occur within a program or activity of the University as defined by Title IX; OR
- the Complainant was not participating in or seeking to participate in a University program or activity at the time of the filing of a Complaint.

If a Title IX Complaint is dismissed, but also describes conduct that could be a violation under Administrative Guide 1.7.1, the Complainant will be contacted and invited to participate in this SHARE Hearing Procedure.

There is no specific time frame for individuals who have experienced conduct that may constitute a Policy Violation to report a concern pursuant to this SHARE Hearing Procedure. Individuals are, however, encouraged to make a report soon after the incident in question in order to maximize the University's ability to investigate and reach a finding.

At any time (whether or not an individual decides to make a report of a Policy Violation) an individual may contact University Confidential Resources that can provide emotional support and counseling.

The University makes available Confidential Resources for consultation regarding reports of policy violations. Confidential Resources do not disclose information received by them with any other office or person, including the SHARE & Title IX office, and therefore meeting with a Confidential Resource will never lead to a University response or Investigation. However, Confidentiality does not extend to reasonable belief that a minor (under age 18) has been harmed or is at risk of being harmed, which by law must be reported to law enforcement or child protective services.

Similarly, if a client, or a close relation of the client, makes a specific threat of planning to kill or seriously harm another person to a Confidential counselor, this also requires a report to law enforcement. In addition, the University cannot guarantee that conversations with the Ombuds or a dean at the Office for Religious Life at Memorial Church might not be subject to disclosure in legal proceedings or pursuant to other legal process. Communications with attorneys, medical doctors, and mental health care providers, on the other hand, may be privileged under law.

## *Prohibited Sexual Conduct*

Under the SHARE Hearing Procedure, the required report information, responsibilities for privacy and confidentiality, the process for review of the initial report for an individualized safety and risk analysis, and the offer of supportive measures are the same as described in the Title IX Investigation and Hearing Procedure described in the previous section.

After notice of a concern, the Title IX Coordinator/Director of SHARE will first assess whether an Investigation will be conducted; that is, whether the allegation(s), if true, would rise to the level of a Policy Violation and, if so, whether a formal Investigation is appropriate under the circumstances, taking into account the Complainant's request for Confidentiality. A determination regarding whether to move forward to an Investigation generally occurs in a ten-day period, although the complexity of the matter; difficulty accessing information; request from law enforcement; University event/holiday/academic calendar; or other unanticipated circumstance may result in a reasonable delay of the determination.

If the Title IX Coordinator/Director of SHARE elects not to move forward to an Investigation, the Complainant will be notified of that decision in writing through a Notice of No Investigation. The Complainant may request review of that determination by submitting a written request to the Title IX Coordinator/Director of SHARE within ten days.

If after assessing a concern, the Title IX Coordinator/Director of SHARE determines there is sufficient basis to initiate an Investigation under this Procedure, the Title IX Coordinator/Director of SHARE or their designee will contact, when possible, the Complainant and request consent from the Complainant to proceed to an Investigation. The Title IX Coordinator/Director of SHARE will also arrange to meet with the Complainant to provide information about the Investigation. A copy of this Procedure will be provided to the Complainant. An Investigation may still go forward even if the Complainant declines to consent and/or requests Confidentiality, if appropriate, including because an Investigation is required by law, or otherwise a decision is made to move forward subject to balancing the following factors:

- The status of the Respondent and whether the Respondent has authority over students and/or staff

- Whether there have been multiple reports of violations of Administrative Guide section 1.7.1 relating to a single Respondent;
- The seriousness of the alleged Policy Violation (e.g., whether the alleged conduct involved a weapon, physical restraints or battery);
- Whether there is a likelihood that the Respondent would be a danger to the Complainant or the Stanford community;
- The age of the Complainant;
- Whether the report of alleged Policy Violation can be effectively addressed through another type of intervention; and
- The ability of the University to obtain relevant evidence.

When concerns are raised along with other allegations that could violate other University policies outside of the University Prohibited Sexual Conduct area, the Title IX Coordinator/Director of SHARE will consult with appropriate University officials to determine whether a joint investigation will be conducted under this Procedure, or whether the matter will be referred to another procedure. If the matter is referred, the decision-maker in that other procedure will confer with the Title IX Coordinator/Director of SHARE on Policy Violations under Administrative Guide 1.7.1. Similarly, when an Investigation under this Procedure includes review matters outside of the University Prohibited Sexual Conduct area, the Investigators will confer with appropriate University officials.

### **INVESTIGATION**

Upon moving to an Investigation, the University will provide a Notice of Investigation to the Parties for whom the University knows their identity. The notice shall include a description of the University's SHARE Hearing Procedure, including any Informal Resolution process, and a description of the allegations. The description shall include sufficient details known at the time such as the identities of the Parties involved in the incident, the conduct allegedly constituting the Policy Violation, and the date and location of the alleged incident. Included also shall be a statement that the Parties may have an advisor of their choice, who may be, but is not required

to be, an attorney, and may inspect and review evidence as described herein. The Notice of Investigation will be provided with sufficient time to respond and prepare for any investigative interviews.

Once a Notice of Investigation is issued, a Respondent student's ability to receive a degree is placed on hold.

After receiving Notice of Investigation, both the Complainant and the Respondent will be asked to identify any academic, employment, or other significant conflicts that would affect the timing of the Investigation and potential Hearing. The Hearing Coordinator will consider this input in finalizing any Hearing Schedule.

If, in the course of an Investigation, the University decides to investigate allegations about the Complainant or Respondent that are not included in the initial Notice of Investigation provided, the University will provide notice of the additional allegations to the Parties whose identities are known.

## Rights and Responsibilities

The rights and responsibilities of the parties and witnesses are the same as those included in the Title IX Investigatoin and Hearing Procedure, excepting the following key differences:

- The SHARE Procedure does not provide for live cross examination by the advisor of choice, but instead via questions submitted to the Hearing Officer.
- The SHARE Procedure does not presume non-responsibility of the Respondent.

At any time after receiving information about a concern, the Title IX Coordinator/Director of SHARE or Deputy Title IX Coordinator may, in their discretion, choose to offer and facilitate an Informal Resolution process. The University may not require the Parties to participate in an Informal Resolution process or require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, and election to participate in an Informal Resolution does not constitute a waiver of the right to a formal Investigation under this Procedure until the time that such Informal Resolution is agreed upon. Any person who facilitates an Informal Resolution will be experienced and trained in dispute resolution and

trained on this SHARE Hearing Procedure.

At any time prior to agreeing to an Informal Resolution, any Party has the right to withdraw from the Informal Resolution process and resume the process with respect to a formal Investigation and SHARE Hearing. Stanford will provide access to a Process Support Person to all Parties in this Procedure. The Process Support Person serves as an advisor to the Party. The Process Support Person may assist a Party on written submissions provided they are verified by the Party. The Process Support Person does not speak or advocate on behalf of the Party in University proceedings. Any Process Support Person who violates these expectations may not be permitted to participate further in the process or as a Hearing Support Person.

Only one Process Support Person will be allowed to accompany a Party to meetings with Investigators (including meetings that occur using technology, such as Zoom). As in the Title IX Investigation and Hearing Procedure, the university will provide local attorneys that parties may choose for their process support person, at no cost and subject to the same limitations as outlined in the Title IX process (see pages 63).

The SHARE investigation process parallels the investigation outlined in the Title IX Investigation and Hearing Procedure. See pages 63-65 for details.

After review of the Investigative Report, the Title IX Coordinator/Director of SHARE will make the determination whether to dismiss the concern or proceed to a Hearing. The Title IX Coordinator/Director of SHARE will include a copy of the Investigative Report along with any Notice of Dismissal or, if the matter proceeds to a Hearing, the Investigative Report will be included in the Hearing file.

The University must dismiss the concern if after the Investigation it is determined by the Title IX Coordinator/Director of SHARE that the conduct alleged in the concern does not constitute a University Policy Violation under Administrative Guide 1.7.1.

The University may dismiss the concern if the Respondent is no longer enrolled or employed by the University; specific circumstances prevent the University from gathering sufficient evidence to reach a determination; or the Complainant informs the Title IX Coordinator/Director of SHARE in writing that the Complainant desires to withdraw the concern or allegations therein.

## *Prohibited Sexual Conduct*

A Complainant may notify the Title IX Coordinator at any time that the Complainant does not wish to proceed with the Investigation and/or Hearing process. If such a request is received, the Title IX Coordinator/Director of SHARE will inform the Complainant that the University's ability to respond to the allegation may be limited if the allegations are withdrawn.

The Title IX Coordinator/Director of SHARE will consider the factors outlined on page 74 in reaching a determination as to whether to terminate the Investigation and/or Hearing process. In the event that the Title IX Coordinator/Director of SHARE determines that the Investigation will continue, the Title IX Coordinator/Director of SHARE will notify the Complainant of that determination. The Title IX Coordinator/Director of SHARE will include in that notification a statement that the Complainant is not required to participate in the Investigation and/or Hearing process but that the process will continue. In the event that the Title IX Coordinator/Director of SHARE determines that the Investigation will be terminated, both Parties will be notified.

In the event of dismissal after the Investigation (mandatory or discretionary), the Title IX Coordinator/Director of SHARE may refer some or all of the matter for consideration under another applicable University policy or procedure, if any. Upon dismissal, the Title IX Coordinator/Director of SHARE will promptly send a Notice of Dismissal (mandatory or discretionary) and reason(s) for the dismissal simultaneously to the Parties.

Under the SHARE Hearing procedure, the parties may appeal a Notice of Dismissal in the same format and under the same rubric of considerations as outlined on page 65.

The Title IX Coordinator/Director of SHARE may offer an Informal Resolution for eligible matters at any time including after the Investigation has concluded. For any matters not subject to Dismissal or Informal Resolution after Investigation, the matter will proceed to a Hearing. The Title IX Coordinator/Director of SHARE will notify both the Complainant and the Respondent in writing that the matter has been charged and referred to a Hearing Officer to decide the matter. The Hearing Coordinator will promptly set the Hearing based on the availability of the Parties and Witnesses.

Under the SHARE Hearing procedure, the creation of the Hearing File, the use of Expert Witnesses, the evidentiary

review process, and the response to the Hearing File are the same as described in the Title IX Investigation and Hearing Procedure described on pages 65-66.

Within seven (7) days of when the Notice of Hearing is issued, the Hearing Coordinator will reach out to all Parties, Witnesses, and the Hearing Officer to schedule key dates for the matter (Hearing Schedule). The Hearing Schedule will take into consideration the academic and other conflicts identified in response to the Notice of Investigation. Unless an extension is granted based on a showing of good cause, the Parties are obligated to follow the Hearing Schedule. The Hearing Schedule will be case-specific but generally will follow the time frames set forth herein.

## **HEARINGS**

Hearings may be conducted with any or all Parties, Witnesses, and other participants appearing at the live Hearing virtually, with technology enabling participants simultaneously to see and hear each other, or with all Parties physically present in the same geographic location. The presumption will be that the Hearing will take place virtually, unless both Parties request otherwise or the University otherwise determines that an in-person Hearing is appropriate. If the Hearing takes place with all Parties physically present, the University will provide for the option for the Hearing to occur with the Parties located in separate rooms with technology enabling the Hearing Officer and Parties to simultaneously see and hear the Party or the Witness answering questions.

Hearings will be recorded through audio or audiovisual means or transcribed, and the University will make the recording or transcript available to the Parties for inspection and review upon request.

If a Party does not have a Hearing Support Person present at the Hearing, the University will provide one without fee or charge to that Party. The Hearing Support Persons must at all times follow the instructions of the Hearing Officer.

The Hearing Officer will be a non-Stanford professional neutral decision-maker (such as a retired judge) experienced and trained in adjudicating matters of civil rights, sexual harassment and/or sexual violence and trained on this SHARE Hearing Procedure and on trauma-informed decision-making, as required by California

law. The Hearing Officer will preside over the Hearing and will issue the Written Determination Regarding Responsibility.

The Hearing Officer will be identified to the Parties before the Hearing at least three days prior to the Hearing. The Hearing Officer will not be a Stanford employee or an alumnus/a of Stanford. Additionally, no person who has a conflict of interest may serve as the Hearing Officer. A conflict of interest exists if the Hearing Officer has prior involvement in or knowledge of the allegations at issue in the case, has a personal relationship with one of the Parties or Witnesses, or has some other source of bias. Either Party may assert, in writing, that a Hearing Officer has a conflict of interest.

At the Hearing, the Hearing Officer will permit each Party to submit written cross-examination to the Hearing Officer to conduct the examination of parties and witnesses. Only approved cross-examination and other questions may be asked of a Party or Witness. Before reading a question submitted by a party, the Hearing Officer must first determine whether the question is relevant, non-harassing, and non-duplicative. The parties should be given an opportunity to submit written follow-up questions after initial examination if there are issues that need clarification. The Hearing Officer will permit Parties and witnesses to take breaks, as needed, during the Hearing.

Hearing Support Persons are not permitted to speak on behalf of a Party at the Hearing. The University has discretion to restrict the extent to which Hearing Support Person may participate in the proceedings.

The Hearing Officer will prohibit any questions and evidence about the Complainant's sexual predisposition or prior sexual behavior as not relevant, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove Affirmative Consent.

If a Party does not submit to cross-examination at the live Hearing, the Hearing Officer must not rely on any statement created or generated as part of the Investigation of that Party in reaching a determination regarding

responsibility. The Hearing Officer may consider other statements and evidence about the allegations made by a party who does not submit to cross-examination to the extent the Hearing Officer considers the content reliable and relevant. The Hearing Officer may consider all statements made by a Witness who does not participate in a Hearing to the extent that cross-examination is not necessary to test the credibility of the information. The Hearing Officer cannot draw an inference about the determination regarding responsibility based solely on a Party's or Witness's absence from the live Hearing or refusal to answer cross-examination or other questions. In the Hearing, the Investigator will be available to answer any questions from the Hearing Officer about the Investigation.

The Hearing Officer may meet with the Parties and Witnesses for the purpose of making findings of fact. The Parties and Witnesses may not speak to matters beyond the scope of the Hearing File (for example, by raising potential misconduct allegations that go beyond the scope of the charged conduct). Parties and Witnesses must not disclose or reference information to the Hearing Officer that was excluded from the Hearing File. The Hearing Officer may ask questions of the Parties and/or Witnesses.

Parties are permitted to listen to Witnesses as they are speaking to the Hearing Officer. The Hearing Officer is not obligated to speak to all Witnesses.

## OUTCOME

The Hearing Officer shall issue a Written Determination Regarding Responsibility, applying the Preponderance of the Evidence standard (as required by California law), which shall include:

1. Identification of the allegations potentially constituting the Policy Violation(s);
2. A description of the procedural steps taken from the receipt of the concern through the determination, including any notifications to the Parties, interviews with Parties and Witnesses, site visits, methods used to gather other evidence, and Hearings held;
3. Findings of fact;

## *Prohibited Sexual Conduct*

4. Conclusions about whether the alleged Policy Violation(s) occurred, applying the definitions set forth in Administrative Guide 1.7.116 to the facts;
5. The rationale for the result as to each allegation;
6. Any disciplinary Sanctions imposed on the Respondent;
7. Whether Remedies or Supportive Measures will be provided to the Complainant; and
8. Information about how to file an appeal.

The Hearing Officer may ask the Parties to submit Sanctions statements at the conclusion of the Hearing. The Hearing Officer may also consult with University personnel regarding any Sanctions and Remedies appropriate to the specific Respondent and Complainant. The Sanction determination will be provided to the Title IX Coordinator/Director of SHARE who will be responsible for implementing the Supportive Measures and/or Remedies, including the continuation of any Supportive Measures and/or any additional or ongoing accommodations for both Parties. The Title IX Coordinator/Director of SHARE will cause the Written Determination Regarding Responsibility to be sent to both Parties simultaneously.

The Hearing Officer must explain decisions on responsibility and Sanctions (if applicable) and Remedies with enough specificity for the Parties to be able to file meaningful appeals.

The consideration of whether Remedies and Sanctions go into immediate effect or are held in abeyance pending appeal or some combination thereof, will be determined on a case- by-case basis by the Title IX Coordinator/Director of SHARE.

The Written Determination Regarding Responsibility becomes final if an appeal is not filed, the date on which an appeal would no longer be considered timely; or if an appeal is filed, on the date that the University provides the Parties with the written determination of the result of the appeal. Under the SHARE Hearing procedure, both parties have the right to appeal the Written Determination through the same format, with the same timeline requirements, and on the same grounds as described on [page 66](#).

The Appeal Officer will provide the Notice of Outcome of Appeal no later than ten (10) calendar days after receipt

of all appeal documents. The Title IX Coordinator will cause the Notice of Outcome of Appeal to be sent to the Parties simultaneously.

As needed, the Appeal Officer will consult with the Title IX Coordinator regarding the management of ongoing Remedies. The Appeal Officer may reject the appeal in whole or in part, issue a new decision regarding responsibility, issue new or revised Sanctions and Remedies, or refer the matter to a new Hearing Officer.

Refer also to the preceding sections on retaliation, disability accommodation, and remedies and sanctions described on pages 70-74, as information from those sections in the Title IX Investigation and Hearing Procedure are also applicable to the SHARE Hearing procedure.

## SHARE ADMINISTRATIVE INVESTIGATION

This SHARE Investigation Procedure will be relied upon to resolve complaints of University Prohibited Sexual Conduct involving a student complainant (“Complainant”), where the alleged perpetrator (“Respondent”) is a staff member or postdoctoral scholar; further this Procedure may, at the University’s election, be relied on where the Respondent is an affiliate or other person participating in University programs or activities, on or off-campus, including overseas programs, or providing services to the University. This process will also be used to address complaints of Retaliation and Violations of University or Court-Ordered Directives related to the aforementioned conduct, as well as knowingly aiding or facilitating another person to commit any such act. This collective conduct (as defined in Administrative Guide 1.7.1) will be referred to as “Policy Violation(s).”

This Procedure applies if:

- The Respondent was subject to Administrative Guide 1.7.1 at the time of the alleged Policy Violation and at the time of the report;
- The University has the ability to conduct a thorough investigation into the Policy Violation; AND
- One or more of the following circumstances applies:
  - The conduct happened on campus or in connection with a University program or activity;
  - A reasonable (student) Complainant would suffer substantial harm if the alleged Policy Violation were not addressed;
  - There are multiple complainants alleging serious sexual misconduct or past similar disciplinary matters; OR
  - The Policy Violation would constitute a serious crime if true.

The University may voluntarily dismiss a matter if it no longer has jurisdiction over the Respondent.

## OVERVIEW

The University may place a (staff or postdoctoral scholar) Respondent on administrative leave after notice of a report of University Prohibited Sexual Conduct and during the pendency of resolution of the matter.

After a report of a Policy Violation has been made and the Title IX Coordinator/Director of SHARE determines that the alleged Policy Violation does not meet the jurisdiction of the Title IX Procedure, the Deputy Title IX Coordinator for Staff and Postdoctoral Scholars (or their designee) will serve as the Decision-Maker to oversee the resolution of the concern according to the Procedures detailed below.

The Decision-Maker will first assess whether an Investigation will be conducted; that is, whether the allegation(s), if true, would rise to the level of a Policy Violation and, if so, whether a formal Investigation is appropriate under the circumstances, taking into account any request by the Complainant for Confidentiality. A determination regarding whether to move forward to an Investigation generally occurs in a ten-day period, although the complexity of the matter; difficulty accessing information; request from law enforcement; University event/holiday/academic calendar; or other unanticipated circumstance may result in a reasonable delay of the determination. If the Decision-Maker elects not to move forward to an Investigation, the Complainant will be notified of that decision in writing through a Notice of No Investigation. The Complainant may request review of that determination by submitting a written request to the Decision-Maker within ten days.

If after assessing a concern the Decision-Maker determines there is sufficient basis to initiate an Investigation under this Procedure, the Decision-Maker or designee will contact, when possible, the Complainant and request consent from the Complainant to proceed to an Investigation. The Decision-Maker will also arrange to meet with the Complainant to provide information about the Investigation. A copy of this Procedure will be provided to the Complainant. An Investigation may still go forward even if the Complainant declines to consent and/or requests Confidentiality, if appropriate, including because an Investigation is required by law, or otherwise a decision is made to move forward subject to balancing the following factors:

## *Prohibited Sexual Conduct*

- The status of the Respondent and whether the Respondent has authority over students and/or staff.
- Whether there have been multiple reports of University Prohibited Sexual Conduct (or other violations of Administrative Guide 1.7.1) relating to a single Respondent;
- The seriousness of the alleged University Prohibited Sexual Conduct (e.g., whether the alleged conduct involved a weapon, physical restraints or battery);
- Whether there is a likelihood that the Respondent would be a danger to the Complainant or the Stanford community;
- The age of the Complainant;
- Whether the report of University Prohibited Sexual Conduct can be effectively addressed through another type of intervention; and
- The ability of the University to obtain relevant evidence.

When concerns are raised along with other allegations that could rise to the level of a University policy violation outside of the University Prohibited Sexual Conduct area, the Decision-Maker will consult with appropriate University officials to determine whether a joint investigation will be conducted under these Procedures, or whether the matter will be referred to another procedure. If the matter is referred, the decision-maker in that other procedure will confer with the Decision-Maker on University Prohibited Sexual Conduct matters. Similarly, when an investigation that includes review of other matters moves forward under this Procedure, the investigators will confer with appropriate University officials.

### **INVESTIGATION**

The purposes of an Investigation are to determine:

1. Whether a Policy Violation has occurred;
2. Whether there is an ongoing risk of harm to the Complainant (and if so, what steps should be taken to prevent its recurrence);
3. Whether accommodations for the Complainant need to be put in place to redress the effects of the Policy Violation; and

4. Whether accommodations or safety measures should be put in place to make the Stanford community safe.

Additionally, Investigations may raise concerns that system-wide or local changes to policies, practices or training should be considered and implemented.

An Investigation under this Procedure should generally be completed within 60 calendar days after the University has notice of an allegation of a Policy Violation. The Decision-Maker or their designee may extend this time frame as reasonable.

When a determination is made to proceed with an Investigation, the Decision-Maker will investigate or will assign an investigator or investigators. The Decision-Maker can delegate all or part of their responsibilities under this section (Investigation Process). The Investigation will determine findings of fact using the “Preponderance of the Evidence” standard (i.e., it is more likely than not that the Policy Violation occurred).

**Cooperation-** Stanford University staff (including student staff), postdoctoral scholars, and faculty are expected to cooperate and be candid in the Investigation process. Student Complainants are not obligated to participate in the Investigation, noting that a lack of participation may make it difficult to conduct an Investigation. Student Parties and Witnesses have the right not to incriminate themselves; student Parties and Witnesses will not be penalized for admitting to University policy violations that did not cause harm to the broader Stanford community, including voluntary ingestion of alcohol and drugs.

**Notice of Concern-** At the outset of an Investigation, the investigator or supervisor will advise the Respondent of the allegations against them in writing in a Notice of Concern, and a copy will be provided to the Complainant.

**Opportunity to Participate-** Both the Respondent and the Complainant will have an opportunity to respond to the Notice of Concern in writing and in a meeting with the investigator. Both Parties have the right to request that the investigator meet with relevant Witnesses and evaluate relevant documentary or other evidence.

**Support Persons-** Parties may have a support person

accompany them through the process. A support person may not speak for the party. The SHARE Office will identify a support person to assist a party through this process upon request.

The University has identified local attorneys who are available to provide student Parties with up to four hours of consultation once a Notice of Concern is issued. Student Parties are not obligated to use this resource or to follow any guidance provided by an attorney. Stanford will directly pay for up to four hours of consultation for student Parties; student Parties will not be billed for this time. The Title IX Office will provide a list of the University-Identified Attorneys available for consultation services for student Parties. The student Parties are responsible for selecting their own University-Identified Attorney from this list.

The investigator has broad discretion in determining whether an offered Witness or documentary evidence would be relevant or helpful to a determination. For example, some reasons an investigator might decline to speak to an offered witness include: there is not a sufficient basis that the person could have relevant information to the factual determination; the information to be solicited would be repetitive; and confidentiality concerns balanced against the importance of the information. Similarly, some reasons that an investigator might decline to seek or review documentary evidence include: the information is repetitive; cost considerations balanced against the importance of the information; and confidentiality concerns balanced against the importance of the information.

Evidence about the Complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove Affirmative Consent.

The investigator will provide a report to the Decision-Maker. The report will become final, unless the Decision-Maker requests further review from the investigator, or asks for additional information directly from parties or witnesses.

## OUTCOME

Upon completion of the Investigation and review of all materials, the Decision-Maker or their designee will give each party a copy of the written Notice of Outcome of Investigation, which will include a determination as to whether the conduct as determined by the investigator(s) violated University policy and, if so, whether any remedial or corrective action will be taken. The Notice of Outcome of Investigation will be provided to those individuals at the University who have a need to know.

If the Complainant or the Respondent is dissatisfied with the findings made, that person may file an appeal of the Notice of Outcome of Investigation. The appeal should be filed in writing with the Deputy Title IX Coordinator for Staff and Postdoctoral Scholars within 5 business days of the Notice of Outcome of Investigation, unless there is good cause for an extension. A delay in filing the appeal may be grounds for rejection of that appeal. The appeal should follow the standards for review provided here and the appeal should state the remedy sought by the appealing party. The appeal will be forwarded to the Vice President for Human Resources who may attempt to resolve the matter informally, or may refer the matter (or any part of it) to another designee or other University administrator to resolve the matter. The appeal should be completed within 20 business days unless there is good cause for an extension, including University breaks. The appeal decision will be provided in writing and the appeal decision is final. This appeal will constitute a student Complainant's non-academic grievance process.

The grounds for the Appeal will be limited to the following considerations:

- Is there new compelling evidence that was not available at the time of the initial review?
- Were there any procedural irregularities that substantially affected the outcome of the matter to the detriment of the Complainant or the Respondent?
- Is the decision on the findings one that a reasonable decision-maker might have made?

## *Prohibited Sexual Conduct*

### **Voluntary Resolution**

As an alternative to the Investigation process, some matters are appropriate for resolution through voluntary agreement. Any party or the Decision-Maker may suggest entering into the voluntary resolution process. The timeline for consideration of a Voluntary Resolution generally takes between 5 and 10 days, although this may be extended for good reason; the Decision-Maker may set reasonable deadlines (for example, 24 hours) by which the parties need to have accepted or rejected proposed resolutions.

A Party may decline to engage in discussions regarding a Voluntary Resolution; and a Party may cease discussions regarding a Voluntary Resolution at any time; the Decision-Maker will return to the investigation and outcome process upon notice from a party that they will not or no longer wish to consider any Voluntary Resolution.

If both Parties and the Decision-Maker agree to a Voluntary Resolution, such resolution may need to be reviewed by more senior officials at the University. Once all approvals are in place, the Parties will receive a final Notice of Voluntary Resolution documenting the Voluntary Resolution. The administrative remedies and disciplinary sanctions will have the same force and effect as though they were imposed following a completed Investigation and (as applicable) hearing or final decision. Voluntary Resolutions are final and cannot be reviewed, appealed, or reconsidered in any other process or hearing.

Where the Respondent is found to have engaged in a Policy Violation, the Notice of Outcome of Investigation will be provided to those individuals at the University who have a need to know, including the Respondent's supervisor, HR manager, or Dean, as appropriate. The sanctioning procedures (if any) will be identified in the Notice of Outcome of Investigation. Depending on the Respondent's role at the University, the following procedures may be applicable:

- Regular Staff. Guide Memo 2.1.11: Staff Grievance Policy.
- Senior Staff. Guide Memo 2.1.14: Senior Staff.
- Employees covered by collective bargaining agreements. Please refer to Labor Relations & Collective Bargaining.
- Academic Staff-Librarians. Personnel Program, Academic Staff-Libraries.
- Academic Staff-Research. 10.2 of Research Policy Handbook, Grievance Procedure: Academic Staff.
- Academic Staff-Teaching. 8.2 of Faculty Handbook, Grievance Procedure: Academic Staff-Teaching.
- Post Doctoral Scholars. Postdoctoral Scholars Grievance Policy.

Sanctions for staff and post doctoral scholars under Administrative Guide Memo 1.7.1 include corrective actions and discipline up to and including discharge from the university.

### **SUPPORTIVE MEASURES & REMEDIES**

Supportive Measures: Non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or the Respondent before or after the filing of a complaint or where no complaint has been filed. Such measures are designed to restore or preserve equal access to University Programs or Activities without unreasonably burdening the other Party, including measures designed to protect the safety of all Parties or the University educational environment, or deter sexual harassment. Supportive measures may

include extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures.

Following a determination of responsibility under this Procedure that the Respondent violated University Policy, Remedies are provided to a Complainant. Remedies must be designed to restore or preserve access to the University's educational Program or Activity. Remedies may include disciplinary Sanctions or other actions against a Respondent. They may include the same individualized services as those offered as Supportive Measures; however, Remedies need not be non-disciplinary or non-punitive and need not avoid burdening the Respondent.

The Decision-Maker should provide remedies that will remediate a hostile environment for the Complainant and/or provide safety protections for the Complainant or for Stanford community members.

Remedies relating to all Respondents could include the following restrictions:

- Directive not to contact (directly or indirectly) the Complainant
- Limiting or denying access to all or parts of campus
- Limiting or denying participation in campus programs or activities
- Limiting or denying the opportunity to hold leadership positions
- Additionally, for teaching Respondents, remedies could include the following restrictions:
  - Limiting or denying certain advising activities
  - Limiting or denying certain teaching activities
  - Limiting access to students in private spaces
- Remedies for all Respondents could include the affirmative requirement for personalized education or coaching.

Additional Remedies for the Complainant will be directed by the Decision-Maker and/or Title IX Coordinator. Unless one of these Remedies affects the

Respondent, these should remain confidential and should only be included in the Notice of Outcome of Investigation to the Complainant: academic or workplace accommodations, safety accommodations, and other reasonable and appropriate accommodations.

The Notice of Outcome of Investigation should indicate a time frame for the Remedies. Restrictions should be put in place for a certain amount of time, to achieve the appropriate remedy. Generally, the remedy may be achieved in a number of months up to five years.

The Title IX Coordinator/Director of SHARE is responsible for effective implementation of any Remedies under this SHARE Investigation Procedure and the Title IX Coordinator/Director of SHARE maintains jurisdiction over the Remedies as the Parties move through the University. Remedies may be modified by the Title IX Coordinator/Director of SHARE as circumstances change over the course of a Complainant's or Respondent's student or work career at Stanford. The request for reconsideration may be submitted to the Title IX Coordinator/Director of SHARE, and the basis for such reconsideration will be limited to whether, given the changed circumstances, the Remedies are ones that could have been issued by reasonable persons.

Upon request by a Party to reconsider a remedy, which if granted would impact the other Party, the Title IX Coordinator/Director of SHARE will provide notice and an opportunity to respond to the other Party. The Title IX Coordinator/Director of SHARE's decision on reconsideration will be provided in writing.

The information in preceding pages regarding reporting processes for SHARE/Title IX complaints (page 58), reporting to the police (pages 50-51 and 54-55), retaliation (pages 68-69) and confidential resources and other privacy considerations remain applicable under the SHARE Administrative Investigation. The full text of both the SHARE Hearing Procedure and the SHARE Investigation Procedure can be found at <https://sharetitleix.stanford.edu/investigationgrievance-administrative-policy-and-procedures>

## Prohibited Sexual Conduct

In addition to seeking redress through the University, students are also encouraged (but not required) to report criminal concerns to the Stanford University Department of Public Safety (DPS) or the jurisdiction where the incident took place. Local law enforcement agencies in other jurisdictions do not notify the University of the identity of the parties when a crime has occurred in their jurisdiction, so the University will not have notice of the parties' identities unless a party requests a report to the University.

Further, reports made to the Stanford Department of Public Safety may be subject to state privacy laws, so the University may not be given notice unless the victim waives confidentiality. Therefore, victims are also encouraged to notify the University of policy violations that has been reported to a police department. A criminal investigation is separate from a University process and will not be coordinated through the University.

## SAFETY MEASURES

**If you believe you are in imminent danger and need immediate protection, call 9-1-1** (or 9-9-1-1 from a campus phone) and ask the police if you are eligible to receive an Emergency Protective Restraining Order. Calling the police will trigger a formal report with the police but does not automatically trigger a university investigation.

### General Information

Victims of Prohibited Sexual Conduct or those who have been threatened with harm may be entitled to court-ordered protection against the person who committed or threatened harm. Except in emergencies, Stanford community members considering a restraining order may consult with a member of the university Threat Assessment Team to receive help in assessing the threat, at [TAM4safety@stanford.edu](mailto:TAM4safety@stanford.edu).

## Students

In accordance with the Stanford Student Title IX Investigation and Hearing Process,<sup>22</sup> which is the university's Title IX grievance procedure, the university will take steps to prevent the recurrence of Prohibited Sexual Conduct (including sexual harassment, sexual assault, dating violence, domestic violence and stalking)<sup>23</sup> through safety measures. Additionally, the university will redress the effects of Prohibited Sexual Conduct through appropriate accommodations and will provide written notice of available options and assistance in protective measures or changes to academic, living, transportation, and working situations.

To the extent reasonable and feasible, the university will consult with the Complainant and Responding Student in determining accommodations and safety measures. Appropriate actions may include:

- Housing reassignments
- Class reassignments and academic accommodations
- No-contact directives
- Limitation on extracurricular or athletic activities
- Removal from the university community
- Referral to a university disciplinary process
- Review or revision of university policies or practices
- Assistance managing court-issued protective orders
- Training

Even if the university decides not to confront the Responding Student because of the Complainant's request for confidentiality, the university may pursue other reasonable steps to limit the effects of the alleged harassment and prevent its recurrence, in light of the Complainant's request for confidentiality.

## Staff and Faculty

The SHARE Title IX Coordinator or designee will evaluate the need for and recommend interim safety measures when faculty and staff have been subjected to or are alleged to have committed Prohibited Sexual Conduct. Interim safety measures may include:

- Work accommodations or reassignments
- No Contact directives
- Review or revision of University policies or practices
- Referral to a University disciplinary process
- Assistance with managing a court-issued protective or restraining order
- Training

The university Office of the General Counsel can be consulted about whether a Workplace Violence Restraining Order is appropriate. The university will provide reasonable accommodations as feasible to students, faculty, staff, and post docs who need to be absent from class or work to obtain court orders; advance notice and arrangements for the absence are expected, except in an emergency.

## Prohibited Sexual Conduct

Beyond court-ordered options, the university might also issue its own No Contact order or directive describing how parties to an investigation should give each other space during the pendency of the investigation. When the accused has no connection to the university, or following a determination of responsibility, Stanford may also issue a university “Stay Away” letter. Unlike a court-ordered restraining order, which is focused on preventing contact between an individual and the protected party, a university “Stay Away” letter prohibits a person from coming onto Stanford’s private property and is enforced under trespass laws.

## RESTRAINING ORDER OPTIONS

A restraining order (also called a “protective order”)<sup>24</sup> is a court order that can protect someone from being physically or sexually abused, threatened, stalked, or harassed. The person getting the restraining order is called the “protected person.” The person the restraining order is against is the “restrained person.” Sometimes, restraining orders include other “protected persons” like family or household members of the protected person.

### What does a restraining order do?

In general restraining orders can include:

**1. Personal conduct orders** These are orders to stop specific acts against everyone named in the restraining order as a “protected person.” Some of the things that the restrained person can be ordered to stop are:

- Contacting, calling, or sending any messages (including email);
- Attacking, striking, or battering;
- Stalking, threatening, harassing;
- Sexually assaulting;
- Destroying personal property; or
- Disturbing the peace of the protected people.

**2. Stay-away orders** These are orders to keep the restrained person a certain distance away (like 50 or 100 yards) from:

- The protected person or persons;
- His or her children’s schools or places of child care;
- Where the protected person lives;
- His or her vehicle;
- His or her place of work;
- Other important places where he or she goes.

**3. Residence exclusion (“kick-out” or “move-out”) orders** These are orders telling the restrained person to move out from where the protected person lives and to take only clothing and personal belongings until the

<sup>24</sup> The information in this section about restraining orders is from the California Courts website at [courts.ca.gov/1260.htm](https://courts.ca.gov/1260.htm)

court hearing. These orders can only be asked for in domestic violence or elder or dependent adult abuse restraining order cases.

## **Restrained individuals are subject to potential restrictions and consequences, including:**

- He or she will not be able to go to certain places or to do certain things.
- He or she might have to move out of his or her home.
- It may affect his or her ability to see his or her children.
- He or she will generally not be able to own a gun. (And he or she will have to turn in, sell or store any guns they have now and not be able to buy a gun while the restraining order is in effect.)
- It may affect his or her immigration status if he or she is trying to get a green card or a visa.
- If the restrained person violates (breaks) the restraining order, he or she may go to jail, pay a fine, or both.

## **Types of restraining orders**

There are four kinds of orders:

1. Domestic Violence Restraining Order
2. Civil Harassment Restraining Order
3. Elder or Dependent Adult Abuse Restraining Order
4. Workplace Violence Restraining Order

**1. Domestic Violence Restraining Order** You can ask for a domestic violence restraining order if:

- Someone has abused you, AND
- You have a close relationship with that person (married or registered domestic partners, divorced, separated, dating or used to date, have a child together, or live together or used to live together, but more than roommates), or you are closely related (parent, child, brother, sister, grandmother, grandfather, in-law).

**2. Civil Harassment Restraining Order** You can ask for a civil harassment restraining order if you are being

harassed, stalked, abused, or threatened by someone you are not as close to as is required under domestic violence cases, like a roommate, a neighbor, or more distant family members like cousins, aunts or uncles, or nieces or nephews.

**3. Elder or Dependent Adult Abuse Restraining Order** You can ask for an elder or dependent adult abuse restraining order if:

- You are 65 or older, OR
- You are between 18 and 64 and have certain mental or physical disabilities that keep you from being able to do normal activities or protect yourself; AND
- You are a victim of:
  - Physical or financial abuse,
  - Neglect or abandonment,
  - Treatment that has physically or mentally hurt you, OR
  - Deprivation by a caregiver of basic things or services you need so you will not suffer physically, mentally, or emotionally.

**4. Workplace Violence Restraining Order** You can ask for a workplace violence restraining order if:

- You are an employer, AND
- You ask for a restraining order to protect an employee who has suffered stalking, serious harassment, violence, or a credible (real) threat of violence at the workplace.

An employee CANNOT ask for a Workplace Violence Restraining Order. If the employee wants to protect him or herself, he or she can ask for a Civil Harassment Restraining Order (or a domestic violence restraining order if the abuser is a partner/spouse or former partner/spouse or close family member).

## EDUCATION PROGRAMS

### Overview

Stanford University provides education and awareness programs to prevent the occurrence of dating violence, domestic violence, sexual assault, and stalking<sup>25</sup> (Prohibited Sexual Conduct). These comprehensive programs are responsive to community needs, culturally relevant, inclusive of diverse communities and identities, and informed by research. Programming initiatives are assessed for value, effectiveness, or outcome, and consider environmental risks and protective factors as they occur on the individual, relationship, institutional, community, and societal levels.

Programs to address Prohibited Conduct include both primary prevention and awareness programs directed at incoming students and new employees as well as ongoing prevention programs and awareness campaigns directed at all members of the campus community.

One aim of the prevention programs is to reinforce the university's declaration that dating violence, domestic violence, sexual assault, and stalking are Prohibited Conduct and in many instances also constitute criminal acts.<sup>26</sup>

Stanford's primary prevention programs and awareness campaigns include educational information on the causes and consequences of sexual violence, prevention strategies, and bystander intervention (see next section). Risk reduction behaviors that promote safety for individuals and the community are also discussed.

Additionally, Stanford provides ongoing prevention programs and awareness campaigns that include information on community building, healthy relationships, bystander intervention, and risk reduction.

Furthermore, these programs and campaigns reinforce to the community the procedures that the university will follow in response to a report of dating violence,

<sup>25</sup> Specific definitions for each of these behaviors, as defined in the Violence Against Women Act (VAWA) Re-authorization of 2013, can be found on pages 95-96. These definitions are used in Stanford's prevention programs, in addition to California state definitions.

<sup>26</sup> The California statutory definitions of dating violence, domestic violence, sexual assault, and stalking are listed on pages 103-107.

domestic violence, sexual assault, and stalking. This includes the provision of supportive measures, parameters of confidentiality, and other resources for the impacted parties; resources, where appropriate, for the responding party; and the opportunity to pursue a criminal or administrative complaint.

Stanford's ongoing prevention programs and awareness campaigns include educational initiatives and sustainable strategies that are focused on increasing understanding and skills to prevent all forms of Prohibited Sexual Conduct. A range of strategies is utilized to engage audiences throughout the institution.

### Risk Reduction

Individual preventive measures are risk reduction behaviors designed to decrease perpetration and bystander inaction and to increase empowerment for those who may be at risk. These measures promote safety and help individuals and communities address conditions that may facilitate violence. For instance, consider strategies for safety and accountability when planning activities or attending events with friends. Establish an agreement that no one will attempt to intimately engage with someone who may have over-consumed alcohol or other substances. If there is a possibility that you might be separated, agree to periodically check in with each other either in person or via text message. You can also agree to not leave the event until everyone is accounted for and safe and that everyone will either leave together or continue to check in on anyone who remains at the event. If you become uncomfortable with a situation or the people involved, trust your instincts and take action or get help to increase your sense of safety and empowerment.

### Bystander Intervention

Bystander intervention is the use of safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening,

identifying safe and effective intervention options, and taking action to intervene.

There are several safe and effective options that a person can employ to intervene and stop inappropriate and potentially criminal behavior, including creating a distraction by using appropriate humor or interjecting in a conversation, directly confronting the potential perpetrator, or enlisting others to help intervene when you sense that someone may be at risk of harm. If you see or suspect that a crime has or is about to occur, seek help or call the police. For more information on these programs, go to <https://titleix.stanford.edu/upstander-intervention>

## Education Programs for Students

The SHARE Title IX office develops and contributes to a wide range of programs, projects, and events to increase awareness about interpersonal violence and meet the needs of Stanford students, faculty, and staff. Programs promote healthy sexuality and relationships, dispel myths about consent<sup>27</sup> and sexual and relationship violence, examine and critique traditional gender roles, provide guidance on risk reduction, advise students of the university response and available resources, and explore how each of us can become empowered to end sexual and relationship violence.

Programming efforts include a wide range of related topics including:

- Sexuality
- Intimacy and Relationships
- Upstander Intervention
- Understanding Consent
- Healthy Masculinity
- Healthy Relationships

In August of 2014, the university began providing online primary prevention<sup>28</sup> training to all incoming undergraduate and graduate students. This training covers the topics of sexual assault, dating and domestic

violence<sup>29</sup>, bystander intervention, and making healthy choices on matters such as alcohol use. The online training is a supplement to the ongoing in-person trainings and campaigns featured throughout the academic year.

In addition to training across undergraduate and graduate student groups, training was provided to those who also have staff roles, such as Resident Assistants, Residence and Graduate Life Deans, Row Managers, Peer Counselors, Residence Fellows, and Graduate Community Assistants. See the table on pages 92-93 for additional details on training provided in 2019.

In addition to programming and education, the SHARE Title IX Education Team (formerly known as the SARA office) provides consultations, advising, and resource referrals to Stanford students who have experienced sexual or relationship violence, regardless of the location where the incident(s) occurred.

## Education Programs For Staff

In 2019, over 6,000 staff supervisors and faculty members completed at least two hours of AB1825 state-mandated sexual harassment awareness training administered online by the Sexual Harassment Policy Office (SHPO). The training program includes material required by the VAWA Reauthorization of 2013, covering forms of sexual violence, resources at Stanford, and our Responsible Employees' obligation to report sexual misconduct that occurs in the campus community. On September 9, 2014, Gov. Brown approved Assembly Bill No. 2053 that required AB1825 training to include the prevention of abusive conduct. For purposes of this training, "abusive conduct" means conduct of an employer or employee in the workplace, with malice, that a reasonable person would find hostile, offensive, and unrelated to an employer's legitimate business interests. The prevention of abusive conduct was included as part of the 2017 training program and continues to be included. Compliance with the biennial training requirement is tracked by SHPO, which has been renamed the SHARE Title IX Office.

<sup>27</sup> See page 102 for the California statutory and university administrative definition of consent

<sup>28</sup> Primary prevention programs are programming, initiatives, and strategies implemented in an effort to stop dating and domestic violence, sexual assault, and stalking through positive and healthy behaviors.

<sup>29</sup> See pages 103-107 for federal (VAWA) and state definitions of these crimes.

## Prohibited Sexual Conduct

Additionally, over 600 non-supervisory staff (including academic staff) received harassment prevention training administered by the SHPO. An interactive online course and instructor-led classroom sessions were offered. Both programs incorporated material on recognizing, reporting, and responding to sexual assault and other forms of prohibited sexual conduct in the campus community.

Since October 2014, all new employees are expected to complete the harassment prevention course, online or in-person. This course includes information required by the VAWA Reauthorization of 2013 and covers forms of sexual violence, resources at Stanford, and how employees can prevent and report sexual misconduct that occurs in the campus community.

# Campus Crime Statistics

## 2017 - 2019

### The Jeanne Clery Act and Higher Education Opportunity Act

The Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act and the Higher Education Opportunity Act require that institutions of higher education produce an annual report containing crime statistics, fire incident statistics, and safety policies. The safety policies and guidance contained in the annual report provide information to enable individuals to make informed decisions about their personal safety and enhance the safety of the community through their actions. Additionally, fire incident and safety systems information assists residents in emergency planning. The statistical information in this report allows members of the campus community to be informed about criminal activity occurring within and immediately surrounding the geographical boundaries of the campus and any related buildings owned or operated by the university.

### Gathering & Reporting Statistical Information<sup>30</sup>

For each calendar year, an SUDPS committee gathers statistical crime data from its own records and from information provided by the Office of the Vice Provost for Student Affairs, Title IX, and other designated Campus Security Authorities (CSA's). Fire incident statistics are obtained from the Stanford University Fire Marshal's Office. Because they have local police jurisdiction over some locations where Stanford facilities are located, the Santa Clara County and San Mateo County Sheriff's

Offices, the Palo Alto Police Department, and other law enforcement agencies are asked to provide Clery-reportable crime statistics for the required geographical areas. Crime statistics are requested annually from jurisdictions in which Stanford University maintains property for educational purposes, whether it is owned, rented, or leased.

It is not uncommon for multiple sources, including CSA's, to report the same incident to the Clery Compliance Coordinator. To minimize the potential for counting an incident more than once and to ensure crimes and locations are properly categorized, the university requires CSA's and other persons who provide information about Clery-reportable crimes to provide their name and contact information so that the Clery Compliance Coordinator can follow up, if needed. A victim may request confidentiality when making a report.

University officials at each of the separate campuses, including the foreign campuses,<sup>31</sup> gather the required crime statistics from their own records and from local law enforcement agencies. The statistics from foreign and branch campuses are forwarded to SUDPS. As required by federal law, SUDPS reports this information on an annual basis to the United States Department of Education Office of Postsecondary Education. A team of trained university staff review the information provided by CSA's to ensure incidents are properly classified and counted.

### Locations<sup>32</sup>

**Campus:** "Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution's educational purposes, including residence halls;" and "Any building or property that is within or reasonably contiguous to paragraph (1) of this definition, that is owned by the institution but controlled by another person, is frequently used by students, and supports institutional purposes." (34 CFR § 668.46(a))

<sup>31</sup> See corresponding note on page 100 for definitions.

<sup>32</sup> See corresponding note on page 100 for definitions.

<sup>30</sup> For additional information, see corresponding note on page 100.

**Student Residences:** “Any student housing facility that is owned or controlled by the institution, or is located on property that is owned or controlled by the institution, and is within the reasonably contiguous geographic area that makes up the campus is considered an on-campus student housing facility.” (34 CFR § 668.41(a)) Reported statistics are from all student residences, including fraternity, sorority, and other row houses as a subset of the campus statistics.

**Non-campus:** “Any building or property owned or controlled by a student organization that is officially recognized by the institution; or any building or property owned or controlled by an institution that is used in direct support of, or in relation to, the institution’s educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution” (34 CFR § 668.46(a)). A Stanford example of a non-campus area is off-campus graduate housing.

**Public property:** “All public property, including thoroughfares, streets, sidewalks, and parking facilities, that is within the campus, or immediately adjacent to and accessible from the campus” (34 CFR § 668.46(a)). These statistics are provided by the law enforcement agency having jurisdiction where the property is located and Campus Security Authorities, where applicable.

## Clery Crime Statistics Definitions

This Safety, Security, and Fire Report includes crime statistics using definitions and categories as provided by the re-authorizations of the Violence Against Women Act and the Higher Education Opportunity Act. Data reported for calendar years 2017 through 2019 are based upon the definitions below.

Crime statistic definitions in this section are prescribed by the Clery Act and may differ from the California Penal Code sections. For a comparison of federal and state definitions, see pages 102-107.

**Murder / Non-negligent Manslaughter:** The willful (non-negligent) killing of one human being by another.

**Negligent Manslaughter:** The killing of another person through gross negligence.

**Sexual Assault:** An offense that meets the definition of rape, fondling, incest, or statutory rape (See also *sex offenses*).

**Sex Offenses:** Any sexual act directed against another person without the consent<sup>33</sup> of the victim, including instances where the victim is incapable of giving consent. These offenses are rape, fondling, incest and statutory rape (sometimes used interchangeably with sexual assault).

**Rape:** The penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by the sex organ of another person, without the consent of the victim.<sup>34</sup>

**Fondling:** The touching of private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity. Private body parts are generally considered to be the genitals, breasts, and buttocks.

**Incest:** Sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

**Statutory rape:** Sexual intercourse with a person who is under the statutory age of consent. In California, the statutory age of consent is eighteen.

**Robbery:** The taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

**Aggravated Assault:** An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm. (*The criminal act*

<sup>33</sup> See corresponding note on page 100.

<sup>34</sup> See corresponding note on page 100

## Campus Crime Statistics 2017-2019

*need not result in injury to be counted as aggravated assault when a gun, knife, or other weapon is used in the commission of the crime.)*

**Burglary:** The unlawful entry into a building or other structure with the intent to commit a felony or a theft.<sup>35</sup>

**Theft - Motor Vehicle:** The theft or attempted theft of a motor vehicle, including automobiles, trucks, motorcycles, golf carts, and mopeds.

**Arson:** Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling, house, public building, motor vehicle or aircraft, or personal property of another.

**Hate Crimes:** Any of the herein listed crimes and any other crime involving bodily injury, theft, intimidation, assault, or destruction/damage/vandalism, in which the victim was intentionally selected because of the perpetrator's bias against the victim. For the purposes of the Clery Act, the categories of bias that may serve to determine that a crime is a hate crime include the victim's actual or perceived race, religion, gender, gender identity, sexual orientation, ethnicity, national origin, and disability.

**Liquor Laws:** The violation of laws prohibiting the manufacture, sale, purchase, transportation, possession, or use of alcoholic beverages. Driving under the influence and drunkenness violations are excluded.

**Drug Laws:** Violations of laws relating to the unlawful possession, sale, use, growing, manufacturing, and making of narcotic drugs. The relevant substances include: opium or cocaine and their derivatives (morphine, heroin, codeine); marijuana; synthetic narcotics (Demerol, methadone); and dangerous non-narcotic drugs (barbiturates, Benzedrine).

**Weapons Laws:** The violation of laws prohibiting the manufacture, sale, purchase, transportation, possession, concealment, or use of firearms, knives, explosives, or other deadly weapons.

**Unfounded:** A statistical requirement beginning in 2015; an unfounded report is any Clery-reportable crime that was reported in good faith and determined, by a law enforcement investigation, to be false or baseless.

<sup>35</sup> See corresponding note on page 101.

## VAWA Offenses

The following crimes are defined in the 2013 Reauthorization of the Violence Against Women Act. Statistics for these crimes are incorporated into reporting for Clery Act compliance (see page 94).

**Dating Violence:** Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; where the existence of such a relationship shall be determined based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. Dating Violence is not limited to sexual or physical abuse or the threat of such abuse. (If an act of violence meets the definition of domestic violence, then the act is classified as Domestic Violence rather than Dating Violence).<sup>36</sup>

**Domestic Violence:** A felony or misdemeanor crime of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of California, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of California.

**Stalking:** Engaging in a *course of conduct* directed at a specific person that would cause a **reasonable person** to fear for his or her safety or the safety of others or suffer *substantial emotional distress*.

For the purposes of the stalking definition, *course of conduct* means two or more acts, including, but not limited to, acts which the stalker directly, indirectly, or through third parties, by any action, method, device, or means follows, monitors, observes, surveils, threatens, or communicates to or about a person or interferes with a person's property. *Reasonable person* means a reasonable person under similar circumstances and with similar identities to the victim. *Substantial emotional distress* means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

<sup>36</sup> See corresponding note on page 101.

## Hate Crimes (2017-2019)

2017 - There were 22 hate crimes reported in 2017. All 22 cases were vandalism incidents based on religion in which swastikas were painted on signs or surfaces. Eight vandalisms were reported in campus residences and the remaining 14 in various locations on campus.

2018 - There were six hate crimes reported in 2018: four vandalisms and two thefts. In one vandalism incident, a disabled parking sign was defaced on campus. A second vandalism incident occurred in a student residence, in which a sign commenting on national origin was affixed a resident's door in a way that damaged the door. Another vandalism with an element of bias against religion occurred at a concert hall on campus, where a piano had a swastika carved into the wood cover. A restroom on campus was vandalized with graphitti indicating bias against national origin. Two thefts included an element of bias against a religion, one inside a student residence and one on campus.

2019- There were five hate crimes on campus in 2019: two cases of battery (classified as simple assault in the Clery Act) and three intimidations. In one battery case, the victim was pushed from her bike by a suspect who used a racial epithet. In the second battery case, a person wearing a backpack was pulled off-balance by another person who was looking into the backpack. The person wearing the backpack believed the act was motivated by racial bias.

In one of the cases of intimidation, a threatening message was written to the victim, directing racial epithets at the victim in a campus residence. In another intimidation case, a victim believes he and his friends were targeted with a threatening gesture by a passerby, based on the victim's race. The third case of intimidation, based on race, involved the discovery of cord that was ¼" in diameter, in the shape of a noose, found in a large bush on the lawn of a student residence.

## Unfounded Crimes (2017-2019)

In 2017, there was one burglary unfounded; the item reported stolen from the residence had been misplaced by the owner.

## Campus Crime Statistics 2017-2019

In 2018, there were two rape incidents unfounded through police investigations. In one case, the incident was reported by another person; the reported victim refuted the claim and submitted evidence to confirm her statement that she was not a victim of sexual assault. In the second case, a woman in a student residence was reported by a third party who heard the woman screaming about a sexual assault. When deputies contacted the female, who was found to be heavily intoxicated on an illegal substance, there was no evidence of a sexual assault or any corroborating statements from the parties involved. A burglary was unfounded when the student who reported a laptop taken from a dorm room recovered it from a friend; the friend had mistaken the laptop as their own.

In 2019, there was a sexual assault that was unfounded when the alleged victim in the case admitted to falsifying the report. Additionally, there was a case in which a car was reported stolen from an off-campus university residence, but the owner later recalled having parked it in an another location. An aggravated assault was unfounded when lab results revealed no intoxicants in the system of a victim who reported having been drugged, and the investigation found no other foul play or intent.

### Crime Statistics Notes

30. *Crime and fire statistics reported in this publication are for the main Stanford University campus, located in unincorporated Santa Clara County. Stanford Health Care and the Lucile Packard Children's Hospital are separate legal entities from Stanford University and from each other. The Stanford Health Care Adult Hospital at Stanford and the Lucile Packard Children's Hospital at Stanford are physically contiguous to the Stanford University campus. Because of their proximity to the Stanford University campus, and because medical students receive training at these medical facilities, the Department of Education has advised Stanford University to count Clery-reportable incidents occurring at the Stanford Health Care Adult Hospital at Stanford and the Lucile Packard Children's Hospital at Stanford as "on campus" crimes. Incidents at the Stanford Linear Accelerator National Laboratory (SLAC), located in San Mateo County, are also counted as taking place on the Stanford University Campus.*
31. *A "separate campus" is a Clery term that defines a location owned or controlled by the institution, which is not reasonably contiguous to the main campus, has an organized program of study and has on-site administrators. A "branch campus" is a type of "separate campus". To be considered a "branch campus," the location must be geographically apart and independent from the main campus. Further, it must be permanent in nature, have its own faculty and administrative organization and offer courses leading to a degree or credential. A "foreign campus" is another type of "separate campus." A location will be classified as a "foreign campus" if the location is in a country other than the U.S.; a U.S.-based institution owns or controls the property or facility; there is an organized program of study; and there are administrative personnel on site.*
32. *Also included in this publication are statistics for locations which Stanford University owns or controls, which are used by students, which are not contiguous to campus, and which do not meet the definition of a separate campus (see next note for definition). These locations could be a student residence in a neighboring city or an academic building in another county, for example. Incidents that occur at these locations are considered "non-campus" and are included in the statistics compiled in the main campus publication. The counting and reporting of data contained in this publication was performed in accordance with guidance contained in the 2016 Handbook for Campus Safety and Security Reporting, produced by the U.S. Department of Education and the Code of Federal Regulations.*
33. *The Clery Act does not provide a federal definition of consent.*
34. *According to the FBI Uniform Crime Reporting System, Part 1 Crimes are crimes against persons or property. In situations in which more than one crime is committed, the hierarchy rule of the FBI Uniform Crime Reporting system requires only that the most serious offense be recorded for a single incident. As an exception to this rule, a sexual assault will always be recorded in the institution's annual statistics when a murder occurs in the same single incident. Furthermore, beginning in 2013 with the passage*

*of the Violence Against Women Act, crimes that meet the definitions of dating violence, domestic violence, stalking, arson, and hate crimes will always be counted separately, when there are other reportable crimes.*

- 35. The Burglary of each room is a separate offense. This means that if an offender unlawfully enters five dorm rooms on one floor of a student housing facility for the purpose of taking something, this incident counts as five Burglaries. Similarly, if a burglar enters five separate bedrooms accessible from a single point of entry, such as a suite, then this single incident counts as five burglaries.*
- 36. Most incidents of Dating Violence are subsumed by the definition of Domestic Violence, if both state and federal definitions are considered. When an incident satisfies both definitions, it will be classified as Domestic Violence only. For statistical recording, each incident is counted once.*
- 37. Multiple cases involving long-term, abusive relationships account for over 40 of the incidents counted under domestic violence.*

# Defintions

## Consent Federal & State Crimes

There are a number of considerations surrounding the issue of consent in the investigation and reporting of sex offenses. In procedures convened by the Office of Community Standards or the SHARE Title IX Office, the definition from the Stanford University Administrative Guide<sup>37</sup>, in compliance with California Education Code § 67386, applies. The California Penal Code definition of consent is the standard used for criminal investigations and prosecutions in the state of California.

Stanford University Administrative Guide 1.7.1	CA Penal Code
<p><i>Affirmative Consent</i> means affirmative, conscious, and voluntary agreement to engage in sexual activity. It is the responsibility of each person involved in the sexual activity to ensure that the person has the Affirmative Consent of the other or others to engage in the sexual activity. Lack of protest or resistance does not mean Affirmative, nor does silence mean Affirmative Consent. Affirmative Consent must be ongoing throughout a sexual activity and can be revoked at any time. Affirmative Consent may be based on a condition(s), e.g., the use of a condom, and that condition(s) must continue to be met throughout an activity, unless there is mutual agreement to forego or change the condition. When there is no Affirmative Consent present during sexual activity, the activity at issue necessarily occurred “against the person’s will.”</p> <p>The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of Affirmative Consent. In evaluating Affirmative Consent, it cannot be a defense that a respondent’s belief that the complainant consented to the sexual activity arose under either of the following circumstances:</p> <p>The respondent’s belief in Affirmative Consent arose from the intoxication or recklessness of the respondent.</p> <p>The respondent did not take reasonable steps, in the circumstances known to the respondent at the time, to ascertain whether the complainant gave Affirmative Consent.</p> <p>It shall not be a valid excuse that the respondent believed that the complainant Affirmatively Consented to sexual activity if the respondent knew or reasonably should have known that the complainant was Incapacitated. Incapacitation means the complainant was unable to Affirmatively Consent because the complainant was asleep, unconscious, under the influence of drugs, alcohol, or medication, such that the complainant could not understand the fact, nature, or extent of the sexual activity, or was unable to communicate due to a mental or physical condition. Incapacitation is not necessarily the same as legal intoxication.</p>	<p><b>§ 261.6</b> In prosecutions under Section 261 [<i>rape</i>], 262 [<i>spousal rape</i>], 286 [<i>sodomy</i>], 288a [<i>oral copulation</i>] or 289 [<i>penetration by a foreign object</i>], in which consent is an issue, “consent” shall be defined to mean positive cooperation in an act or attitude pursuant to an exercise of free will. The person must act freely and voluntarily and have knowledge of the nature of the act or transaction involved.</p> <p>A current or previous dating or marital relationship shall not be sufficient to constitute consent where consent is at issue in a prosecution under Section 261, 262, 286, 288(a) or 289.</p> <p>Nothing in this section shall affect the admissibility of evidence or the burden of proof on the issue of consent.</p> <p><b>§ 261.5</b> (a) Unlawful sexual intercourse is an act of sexual intercourse accomplished with a person who is not the spouse of the perpetrator, if the person is a minor. For the purposes of this section, a “minor” is a person under the age of 18 years and an “adult” is a person who is at least 18 years of age. (b) Any person who engages in an act of unlawful sexual intercourse with a minor who is not more than three years older or three years younger than the perpetrator, is guilty of a misdemeanor. (c) Any person who engages in an act of unlawful sexual intercourse with a minor who is more than three years younger than the perpetrator is guilty of either a misdemeanor or a felony, and shall be punished by imprisonment in a county jail not exceeding one year.</p>

<sup>37</sup> This consent definition is compliant with California Education Code § 67386.

Crime definitions provided by the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act and the Violence Against Women Act can differ from the California Penal Code statutes that are enforced by California law enforcement agencies. The following table compares the federal definitions, codified for Clery Act purposes in C.F.R § 668.46(c), with the California statutes for similar crimes. *This list is intended to be illustrative, not exhaustive.*

Clery Act / VAWA	CA Penal Code
<b>Aggravated Assault</b> is an unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm. <i>(The criminal act need not result in injury when a gun, knife, or other weapon is used in the commission of the crime.)</i>	<b>§ 245(a) - “Assault with a deadly weapon or by force likely to cause great bodily injury”</b> (1) Any person who commits an assault upon the person of another with a deadly weapon or instrument other than a firearm. (2) Any person who commits an assault upon the person of another with a firearm. (4) Any person who commits an assault upon the person of another by any means of force likely to produce great bodily injury.
<b>Arson</b> is any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling, house, public building, vehicle or aircraft, or personal property of another.	<b>§ 451</b> - A person is guilty of <b>arson</b> when he or she willfully and maliciously sets fire to or burns or causes to be burned or who aids, counsels, or procures the burning of, any structure, forest land, or property.
<b>Burglary (structure)</b> is the unlawful entry into a building or other structure with the intent to commit a felony or theft.	<b>§ 459</b> - Every person who enters any house, room, apartment, tenement, shop, warehouse, store, [...] vehicle as defined by the Vehicle Code, ... with the intent to commit a grand or petit larceny or any felony is guilty of a <b>burglary</b> .

## ***A Message from Stanford Fire Marshal's Office***

The primary goals of the Stanford University Fire Marshal's Office (SUFMO) are to:

- Ensure a high level of fire protection for the Stanford community.
- Support Stanford's core mission of teaching, learning, and researching by effecting institutional compliance with fire codes and regulations.
- Work strategically with external agencies to achieve equitable interpretation and application of codes to minimize undue constraints on operational efficiency.

## **SUFMO Outreach Programs**

SUFMO's employees serve the main campus, the School of Medicine, and the Hopkins Marine Station. The Fire Extinguisher Technicians provide fire extinguisher services for the university and the SLAC National Accelerator Laboratory. The below ongoing training programs have been suspended during the Shelter-In-Place orders by the SCC Public Health Office but will resume when authorized.

- Fire extinguisher training is available quarterly, free of charge, to all faculty, staff, and students. Additionally, SUFMO provides Resident and Community Assistants with extinguisher training annually, and provides training for residential, dining, custodial, and facilities staff.

- Student housing evacuation drills are scheduled during the Fall Quarter.
- Building evacuation drills are scheduled monthly with the on-campus children's day care centers, and an annual drill is scheduled for the Hoover Tower high rise.

Stanford University is subject to numerous codes and standards which regulate the design, construction, and use of buildings with the intent of preventing fires and protecting life and property. Governing jurisdictions include the cities of Palo Alto, Livermore, Menlo Park, Redwood City, Newark, and Pacific Grove, the counties of San Mateo (SMC) and Santa Clara (SCC), as well as the Office of Statewide Health Planning and Development (OSHPD).

Fire safety training is offered throughout the year. Individual departments are encouraged to request training from the Fire Marshal's Office to address faculty and staff regarding fire safety practices in the workplace. All buildings are encouraged to conduct evacuation drills annually.

## **Smoke-Free Environment**

Stanford University prohibits smoking in classrooms and offices, all enclosed buildings and facilities, covered walkways, university vehicles, during indoor or outdoor athletic events, during other university sponsored or designated indoor or outdoor events, and outdoor areas designated by signage posted as "smoking prohibited" areas.

In university residences, prohibited areas include all interior common areas, individual rooms and apartments, covered walkways, stairwells, balconies, outdoor areas where smoke may drift into buildings, and during organized indoor and outdoor events near the residences (*Administrative Guide 2.2.6*).

*Always call 9-1-1 or 9-9-1-1 from a campus phone to report a fire to the fire department, even if it has already been extinguished.*

## Prohibited Items:

**Candles, torches, hookahs, incense, and any other open flame devices** are strictly prohibited in and around the residences because of the risk they pose to life and property.

**Appliances with open heating elements**, such as hot plates and toasters, are not allowed in student rooms.\* Cooking is only permitted in designated kitchens and kitchenettes. Never leave anything on the stove unattended, especially oil!

*\*Except for electric heaters provided by Student Housing.*

**Halogen lamps** are strictly prohibited in university housing because of fire hazard concerns and high energy usage.

**Barbecue grills** of any kind, propane cylinders, charcoal, or starter fluids are not allowed inside residences, on balconies or decks, or in stairwells.

**Holiday trees and decorations** must be treated with a flame-retardant solution or process approved by the State Fire Marshal. Call SUFMO at 650-725-3268 for more information.

## Fire Safety System Improvements

Stanford has made a commitment to install automatic fire sprinkler systems in all new facilities and residences and to retrofit existing residences. This installation process will continue in the coming years. All five midrise residential facilities have fully installed sprinkler systems. There are three new graduate and one undergraduate resident high-rise facilities recently completed in August 2020 that are fully protected by fire alarm and fire sprinkler systems.
